ANNUAL NOTIFICATION OF THE UNIFORM COMPLAINT PROCEDURES (UCP) July 1, 2019

HR-05

Dear Parents or Guardians of Students, Students, Employees, School and District Advisory Committees, Appropriate Private School Officials or Representatives, and Other Interested Parties:

We recognize that our system is inequitable by design and we vigilantly work to confront and interrupt inequities that exist to level the playing field and provide opportunities for everyone to earn, grow and reach their greatness. Our goal is that all students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options.

The Sacramento City Unified School District (SCUSD) has the primary responsibility to ensure compliance with applicable state and federal laws and regulations and has established procedures to address allegations of unlawful discrimination, harassment, intimidation and/or bullying complaints alleging violation of state or federal laws governing educational programs against any protected group, and all programs and activities that are subject to the Uniform Complaint Procedures (UCP).

SCUSD shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedures (UCP) adopted by our local Board to address unlawful discrimination, harassment, intimidation, and/or bullying regarding or based on, actual or perceived characteristics such as, age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, gender information, mental or physical disability, medical condition, nationality, national origin, race or ethnicity, immigration status, marital status, religion, sex, or sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or in any program or activity that receives or benefits from state financial assistance. The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in Accommodations for Pregnant and Parenting Pupils, Adult Education, Migrant Education, Career Technical and Technical Education, Career Technical and Technical Training Programs (state), Career Technical Education (federal), Course Periods Without Educational Content, Education of Pupils in Foster Care, Pupils who are Homeless, and former Juvenile Court Pupils now enrolled in a school district and Children of Military families, Regional Occupational Centers and Programs, School Safety Plans, State Preschool, State Preschool Health and Safety Issues in districts exempt from Licensing, Child Care and Developmental Programs, After School Education and Safety, Compensatory Education, Every Student Succeeds Act, Local Control and

Accountability Plans (including Charter Schools as describe in EC§47606.5 and §47607.3), Physical Education Instructional Minutes, Pupil fees, School Plans for Student Achievement, School-site Councils, Agricultural Career Technical Education, and pertaining to prohibitive requirements to pay pupil fees for participation in an educational activity. The UCP shall also be used to resolve complaints of noncompliance with requirements related to reasonable accommodations to a lactating pupil, educational rights of foster youth and homeless students, assignment of students to courses without educational content for more than one week per semester or to courses they have previously completed, and physical educational instructional minutes in elementary schools.

Complaints must be filed in writing with the following compliance officer(s):

<p>Cancy McArn Chief Human Resources Officer 5735 47th Avenue Sacramento, CA 95824 Phone: (916) 643-9050 Fax: (916) 399-2016</p>	<p style="text-align: center;">Student related:</p> <p>Stephan Brown Director, Student Hearing & Placement Department 5735 47th Avenue Sacramento, CA 95824 Phone: (916) 643-9425 Fax: (916) 399-2029</p>
---	---

Complaints alleging discrimination, harassment, intimidation and/or bullying must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation and/or bullying complaint occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation and/or bullying, unless the time for filing is extended by the superintendent or his or her designee. Complainants are protected from retaliation.

Complaints will be investigated and a written decision or report will be sent to the complainant within sixty (60) days from the receipt of the complaint. This sixty (60) day time period may be extended by written agreement of the complainant. SCUSD's person responsible for investigating the complaint shall conduct and complete the investigation in accordance with Title 5 Code of Regulations (T5CCR) sections 4680-4687 and in accordance with local procedures adopted under section 4621 (T5CCR).

The District will provide an opportunity for the complainant(s) and/or representatives to present evidence or information. Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

If the District refuses to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

The complainant has a right to appeal SCUSD's decision to the California Department of Education (CDE) by filing a written appeal within 15 days of receiving SCUSD's decision. The appeal must include a copy of the complaint filed with SCUSD and a copy of SCUSD's decision.

Complainant has a right to pursue civil law remedies; available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Education Code Section 262.3. A complainant may pursue available civil law remedies outside of SCUSD's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

Pupil Fees/LCAP:

A pupil enrolled in a District school shall not be required to pay a pupil fee for participation in an educational activity. Complaints alleging pupil fees and/or an LCAP shall be filed no later than one year from the date the alleged violation occurred. (5 CCR §4630(c) (2)). A pupil fees complaint may be filed with the principal of a school or the District's superintendent or his or her designee. A pupil fees complaint and/or an LCAP complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

All of the following requirements apply to the prohibition identified above:

- All supplies, materials, and equipment needed to participate in educational activities shall be provided to pupils free of charge.
- A fee waiver policy shall not make a pupil fee permissible.
- The District shall not establish a two-tier educational system by requiring a minimal educational standard and also offering a second, higher educational standard that pupils may only obtain through payment of a fee or purchase of additional supplies that the school district or school does not provide.
- The District shall not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a pupil or a pupil's parents or guardians, and a school district or school shall not remove course credit or privileges related to educational activities, or otherwise discriminate against a pupil, because the pupil or the pupil's parents or guardians did not or will not provide money or donations of goods or services to the school district or school.

A complainant who identifies himself or herself is entitled to a response if he or she indicates that a response is requested. If Section 48985 of the *EC* is otherwise applicable, the response, if requested, and report shall be written in English and the primary language in which the complaint was filed.
- A complaint form for a state preschool health and safety issue pursuant to HSC Section 1596.7925 shall specify the location for filing a complaint. A complainant may add as much text to explain the complaint as he or she wishes.

If the preschool program administrator makes this report, he or she shall also report the same information in the same timeframe to the designee of the District superintendent.

In order to identify appropriate subjects of state preschool health and safety issues pursuant to HSC section 1596.7925, a notice shall be posted in each California state preschool program classroom in each school in the District.

The District shall not be prohibited from solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or school districts, schools, and other entities from providing pupils prizes or other recognition for voluntarily participating in fundraising activities.

This is declarative of existing law and shall not be interpreted to prohibit the imposition of a fee, deposit, or other charge otherwise allowed by law.
