At-Home Testing & Reporting Instructions

It's critical to test for COVID-19 and report your results.

STEP 1: REGISTER ON PRIMARY HEALTH

Already registered? Skip to step 2.

Registration is only required once during the school year. Scan this code if you are not yet registered for the 2022-2023 school year.

STEP 2: TAKE A TEST

Follow the instructions for the at-home testing kit you are using.

STEP 3: REPORT YOUR RESULTS

Go to primary.health and click the green arrow.

Registered already with Primary? Click here to find your link to enter your COVID-19 test results. ⊙→

Enter your contact information associated with your Primary Health registration.

Report a result	Over the Counter (OTC) At Home Test	**Which test did you take?**	**When did you take this test?**
If your organization offers self-testing, and you are ready to report a result, please click the button below.	Please confirm the participant's date of birth to continue:	Find your test	Feb 23, 2022
Report a result	Month	**Result**	**Confirm result**
⊙ **Need help?**	Day	Negative ○	**Name:** Jas Test **Date:** 02/23/2022 **Result:** Negative
If you need assistance, or to change your contact information, please contact the Support Center.	Year	Positive ○	☑ I confirm that the information above is correct.
Contact support	**Continue**	Invalid ○	**Submit**
	If the displayed information is incorrect, please contact an administrator for assistance	**Result photo** 📷 **Add photo**	🔺 Powered by Primary.Health

To begin, click Report a Result	Confirm the birth date of the Participant	Enter test type, result, and photo of test	Confirm the test results, Participant info, and check the "I confirm..." box to submit

H2: STEP 4: UNDERSTAND YOUR RESULTS

POSITIVE

Stay home, report your positive test to your school/work immediately, and contact your doctor. A contact tracer will contact you to provide further guidance.

NEGATIVE

If you feel well and have no COVID-19 symptoms, return to school/work!

If you have symptoms, please stay home until you have been fever-free for 24 hours and your symptoms have significantly improved.
