Subject: End of Year Student and Staff Recognition						

The Communications Office is working on a special end-of-year edition of the eConnection to highlight notable student and staff accomplishments. We have reached out to our schools but also want to encourage Board Members to share with us any student or employee you think should be included.

If you have any information related to notable individual students, teachers or staff that you would like to share for the upcoming eConnection edition, please email Maria at the contact email above before Tuesday, June 13. In your email be sure to include the individual's full name, what they do (i.e. student, teacher, principal, custodian, etc.), and a very brief description of what they have accomplished or done that deserve special recognition. Thank you.
