School Accountability Report Card

BP 0510

Philosophy, Goals, Objectives and Comprehensive Plans

The Governing Board views annual school accountability report cards as a way to inform the community about conditions, needs and progress at each school. In addition, the process of developing the report cards gives the school staff opportunities to review achievements, identify areas for improvement, enlist local support, and establish a vision for the future.

The school accountability report card will be distributed to parents and made available to the community.
