Board Policy

Concepts And Roles

BP 2000

Administration

The Governing Board expects the administration to promote the creation of the best possible educational program and to maintain an environment conducive to learning. The Superintendent shall foster the vision and provide educational leadership in this effort and shall give top priority to meeting the needs of all students and actively help raise academic achievement.

The Superintendent shall provide means by which staff, students and parents/guardians at each school may participate in decisions related to school improvement and matters which the Board identifies as appropriately managed at the school site level.

The administration shall provide professional advice to the Board and to citizen advisory committees.

(cf. 1220 - Citizen Advisory Committees)

(cf. 2230 - Representative & Deliberative Groups)

All schools and divisions shall form a single administrative system organized so that appropriate decision making may take place at various levels. The Board expects the Superintendent to recognize, develop and use the leadership abilities of staff.

The Board desires to give all administrators the authority they need in order to carry out their assigned responsibilities. The Board will communicate what it expects of the Superintendent and shall evaluate him/her on how well those expectations have been met. In turn, the Superintendent shall clearly communicate what is expected of all other administrators and shall evaluate how well those expectations have been met.

(cf. 4300 - Management, Supervisory and Confidential Personnel)
