Effective July 1, 2020, SCTA retirees may elect to participate in the Retiree Opt Out option, which allows retirees to purchase other insurance coverage of their choice. Examples of other insurance coverage include dental, vision, life, long term disability, long term care, cancer insurance and Medicare insurance costs per retiree's choice. In addition, the Opt Out option will allow medical health premium reimbursement. A retiree utilizing the Opt Out option must show proof of other health insurance coverage in order to receive an Opt Out reimbursement. The reimbursement amount is up to **\$348.68** per month for qualifying expenses incurred during the period of July 1, 2020 through June 30, 2021. Additionally, a retiree may return to a District health program due to qualifying events.

Basic Pacific will handle Opt Out option reimbursements and related administrative processing on behalf of the District. For reimbursement, retirees must submit insurance premium receipts with a Claim for Reimbursement Form provided by Basic Pacific. You may send claims to Basic Pacific via mail, fax or email.
