**PREPARED BY:** Keyshun Marshall **DEPARTMENT:** Risk & Disability  
Coordinator II, Risk & Management  
Disability Management

**REVIEWED BY:** Gerardo Castillo, CPA **APPROVED:**   
Chief Business Officer

---

Fireworks sales remain excluded from our insurance coverage provided through Schools Insurance Authority. Therefore, any firework activity including booths and stands are prohibited on district property or at another location if sponsored by any District schools, group or booster club.

An incorporated booster, athletic club or other group registered as a 501(c)(3) non-profit is a separate legal entity and may elect to continue firework sales activity on non-District owned or operated property as provided by their insurance coverage and operating procedures. These non-profit groups are not eligible for district insurance coverage.

For further information about these changes, please contact the office of Risk & Disability Management at (916) 643-9421.
