Please read the information below regarding Sacramento City Unified School District's prohibited firework activity on District grounds:

Firework sales remain excluded from our insurance coverage provided through Schools Insurance Authority. Therefore, any firework activity including sales, booths and stands are prohibited on District property.

An incorporated booster, athletic club or other group registered as a 501(c)(3) non-profit is a separate legal entity and may elect to continue firework sales activity on non-District owned or operated property as provided by their insurance coverage and operating procedures. These non-profit groups are not eligible for district insurance coverage.
