Vision and Core Values

Every student is a responsible, productive citizen in a diverse and competitive world.

- **Core Values:**
 - **Equity**
 - Achievement
 - Integrity
 - Accountability
 - Efficiency

What have we heard from our community?

College, Career and Life Ready

- Expand access to preschool and transitional Kindergarten
- Implement a multi-tiered system of support for struggling students
- Expand and improve the use of instructional technology
- Recruit, hire and retain a highly effective and diverse teaching force

Safe, Emotionally Healthy and Engaged Students

- Maintain safe, welcoming school environments
- Support a positive school climate at every school
- Increase access to expanded learning programs
- Provide wrap-around health and mental health services

Family and Community Empowerment

- Building capacity with parent education and training
- Increasing home visits and the Academic Parent-Teacher team meetings
- Continuing working relationships with our community partners

Operational Excellence

- Adhere to the highest standards of customer service
- Establish standard operating procedures without inefficiency
- Develop and use data to be sure programs are implemented effectively

Commitment

How do you see yourself in the plan?

What can you do to support this vision for all students?
