Re: Updates to Health and Safety Guidelines for Reopening our Schools

Dear Mr. Fisher,

This letter follows the Memorandum of Understanding ("MOU") reached on March 20, 2021 between the Sacramento City Unified School District ("SCUSD") and Sacramento City Teachers Association ("SCTA") on safely reopening our schools to in-person instruction/services. The MOU was approved by the Governing Board and ratified by SCTA's unit members on March 25, 2021. The MOU was put in place to establish the safety standards and timeline for the safe reopening of in-person learning and working at SCUSD schools and worksites.

Section I.A.3 of the MOU states that "[i]f any provision contained in this MOU conflicts with revised or updated guidelines, best practices, recommendations, and considerations from SCDPH [Sacramento County Department of Public Health] or CDPH [California Department of Public Health] the Parties agree to meet and confer." The MOU, at Section VII.A.1-3, contains language referencing at least 6 feet of physical distancing that was consistent with the CDPH guidance in place until March 20, 2021. As the District stated during the bargaining session that began on March 19 and ended in the early morning on March 20, the Centers for Disease Control ("CDC") guidelines on physical distancing in the classroom setting were revised on March 19, 2021. The revised guidance reduces the recommended physical distancing space between students in a classroom setting to at least three feet. However, both the CDC and the CDPH have maintained that distancing between adults, and between adults and students, should remain at a spacing of at least six feet. The CDC has specifically noted that in communities where the COVID-19 transmission rate remains high, greater physical distancing should be maintained to reduce the likelihood of transmission.

The CDPH made similar changes to their January 14, 2021 "COVID-19 and Reopening In-Person Instruction Framework & Public Health Guidance for K-12 Schools in California, 2020-2021 School Year" guidance and those updates were posted on the CDPH website on March 20, 2021.

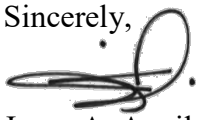
Given the updates to health and safety guidance related to physical distancing at school sites and the impact that these updates may have on the number of students who can

return to our schools for in-person instruction and the schedule for students, the District would like to meet and confer with SCTA, pursuant to Section 1.A.3 on the revised and updated guidance. The District remains committed to returning our students to in-person instruction, and providing academic interventions and pupil supports to address barriers to learning and accelerate progress to close learning gaps.

Included as an attachment, you will find information showing response rates from the District's Learning Option form as well as information about classroom capacity that follows guidance from CDC and CDPH. Such information is important to review as we look forward to having our students return to in-person learning next week.

The District's negotiations team for reopening our schools is available to meet with SCTA's negotiations team between April 5 - 7, 2021 to continue the important work of discussing our safe return to school. Please let me know as soon as possible, which of these dates will work for the SCTA team.

Sincerely,



Jorge A. Aguilar
Superintendent

Learning Options Form Responses (Final)

Our district received 32,674 responses to the Learning Options Forms (81% of the total students enrolled). Please find details about responses below.

Of the responses received:

- 53% chose in-person learning
- 47% opted to continue in distance learning
