Re: Successor Contract Negotiations

Dear Mr. Fisher:

This letter follows the email from SCTA Executive Director John Borsos on June 19, 2020 regarding successor contract negotiations. As you know, we previously offered June 24 and 26, 2020 to meet to continue this important work and for the District to respond to the proposals that you presented to the District's team at our negotiations session on June 9, 2020, and to receive SCTA's responses to the District's proposals shared with SCTA between August and December 2019.

While we understand that SCTA's negotiations team is unavailable on the two dates proposed by the District, we would like to schedule another date for our respective bargaining teams to continue successor contract negotiations. Please let me know by Monday, June 29, 2020, if SCTA is available to meet for successor contract negotiations on Thursday, July 2, 2020. Our team is available to meet beginning at 2:30 p.m. if the SCTA team is also available to meet at that time.

The District continues to believe that together, with SCTA and our other labor partners, and through the collective bargaining process, solutions to our budget challenges that are acceptable for the District and our employees will be identified and agreed to, thereby allowing the District and its employees to continue the shared goal of enhancing educational opportunities for all students.

Sincerely,

Jorge A. Aguilar
Superintendent
