MISSION

Sacramento New Technology High School's vision is to support the unique needs of every student in an environment where they can feel safe and experience academic success. The school community (students, parents, staff, and administration) believes that it must focus on four areas to realize this vision: Challenge, Engage, Learn and Achieve.

DESCRIPTION

The Digital Media Pathway at Sacramento New Technology High School offers students the opportunity to gain experience in graphic design, digital photography, digital illustration, video production, animation and motion graphics.
