Dear valued SCUSD employee/retiree,

We are writing to inform you of an upcoming change to your WHA Network. We have been informed that as of January 1, 2018, UC Davis Medical Group has decided to no longer be in the WHA Network.

We sincerely apologize for any inconvenience this may cause. The District and WHA has committed to support you through this change to a new primary care provider. WHA currently has 250 primary care physicians in the Sacramento region, such as Hill Physicians Medical Group, Mercy Medical Group, Woodland Clinical Medical Group and North Bay Healthcare.

If you would like to check the availability of any providers or have any additional questions, please contact the WHA Coverage Transition Team at (916) 246-7494.

You may also change your provider online through your MyWHA account. You may also search the provider directory by going to mywha.org/directory.

If you would like to consider changing your health plan, please be advised that the SCUSD open enrollment period is September 25th through October 13th 2017 to be effective January 1, 2018.

The Benefits Fair is scheduled for October 6th from 10:a.m. to 4:00 p.m. at the Serna Center Community Rooms. WHA will be here to assist with the transition as well as other healthcare providers to assist with any questions that you may have regarding your options for health plans.

Again our sincerest apologies for any inconvenience and if you have any additional benefits questions, please feel free to contact our Benefits Team at (916) 643-9432 or you may email us at Benefits@scusd.edu.

Sincerely,

Tanisha Turner, Director II
