## Reclassification: Criteria and Process

Reclassification is the process that determines whether an English learner should be reclassified as Fluent English Proficient (R-FEP). Reclassification relies on evidence demonstrating that the student has achieved a level of English proficiency comparable to that of average native speakers of English in the district and is achieving and sustaining a level of academic achievement with students whose native language is English.

District reclassification policies and procedures are aligned with California Department of Education guidelines. Multiple criteria are utilized to establish that the student is ready to be reclassified:

| Criteria   | Type of Evidence   | Standard  |
|--|--|---|
| <b>English Language Proficiency</b>                                    | CELDT results  | Overall early advanced or advanced with no domain scores lower than the Intermediate level.   |
| <b>Academic Achievement: Comparison of Performance in Basic Skills</b> | California Standards Tests of English Language Arts  | <p><u>Grades K – 2:</u> Curriculum-embedded assessment results demonstrate that the student is sufficiently proficient in English to participate in a curriculum designed for students of the same age whose native language is English.</p> <p><u>Grades 3 - 12:</u> Score at or above mid-Basic on the CST/ELA or CMA/ELA (<math>\geq</math> scale score 350).</p> <ol style="list-style-type: none"> <li>1. A student whose scale score ranges from 324 – 349 may be considered for reclassification provided that curriculum-embedded grade-level assessments in English language arts corroborate that the student is achieving at levels comparable to grade-level English-speaking peers.</li> <li>2. The CMA/ELA may replace the CST/ELA for a special education English learner who meets state eligibility criteria to take this alternative assessment.</li> </ol> |
| <b>Teacher Evaluation of Curriculum Mastery</b>                        | <p>Student classroom performance and work products</p> <p>Report card grades</p>             | <p>The teacher recommends reclassification based on a review of the student’s mastery of the curriculum and other relevant factors.</p> <p><u>Note:</u> Deficits in motivation and academic performance unrelated to English proficiency do not preclude reclassification.</p>  |
| <b>Parental Opinion and Consultation</b>                               | Evidence of consultation and opportunity for a face-to-face meeting between staff and parent | The parent is consulted and provided an opportunity to agree/disagree with the recommendation to reclassify the student.  |

Students who are reclassified may continue to participate in dual immersion alternative language program.

The district and each site share responsibility for initiating, facilitating, and monitoring the reclassification process. The process must include the following steps:

1. The Multilingual Literacy Department identifies students who meet English language proficiency and academic achievement criteria for reclassification twice yearly, by September 30 and January 30, or at any time throughout the year. The Multilingual Literacy Department notifies the principal of students who are to be reclassified, providing the school with a preprinted *Reclassification Form* for each student who meets CELDT and CST targets. Note: The school may initiate a request to reclassify students at any time during the school year.
2. The site reviews each Reclassification Form, adding curriculum-embedded assessment data, as needed.
3. The site consults with the classroom teacher regarding any student who meets English proficiency and academic achievement criteria but whose report card grades indicate less than satisfactory performance to determine whether reclassification is warranted.
4. The site notifies the parents/guardians in writing that their child is being considered for reclassification and invites them to participate in the reclassification process. The school also contacts the parents by phone to set up a time for consultation, if desired.
5. The site makes a recommendation on reclassification then notifies the parents and the Multilingual Literacy Department of this decision in writing.
6. The Multilingual Literacy Department reviews and approves/denies each reclassification recommendation and returns the Reclassification Form to the site. The site places the form in the student's cumulative folder.
7. The Multilingual Literacy Department maintains documentation that the student has met reclassification criteria, including assurances that parents have been appropriately notified during the reclassification process.

## **R-30 Language Census**

The information includes the following:

1. The number of English learners in the school, by grade and language
2. The number of Fluent English Proficient students in the school by grade and language
3. The number of teachers who hold appropriate credentials to teach English learners
4. The number of teachers who are in training to receive credentials to teach English learners.
5. The number of students reclassified from Limited to Fluent English Proficiency

R-30 Information:

1. The principals verify the information about their teachers' credentials
2. The information is reported to the CDE every year, by April 1st

## Information for ELAC Facilitators

### Agenda I

1. The general purpose of this meeting is to acquaint interested parents with the ELAC.
2. Please note that the sign-in sheet requests parents to identify their children who are students at the school. It is important to provide this information so the school can verify which parents have English learners in the school's programs.
3. Election of the members and officials may be held by ratification ballot after the first meeting. Such a procedure allows for notification of all EL parents, who may not be present during the first ELAC meeting.
4. If a ratification ballot is used, effort should be made to collect as many ballots as possible. It is not necessary to collect 100% of the ballots.
5. Because of the necessity to constitute the DELAC, it is necessary to name a DELAC representative at this meeting.
6. Also do a Needs Assessment, to find out what the EL parents see as the school's needs. (Incorporate the Needs Assessment results at future meetings.)

### Agenda II

1. The meeting begins with the formal announcement of the results of the election and elected members are introduced.
2. There should be a brief review of the local ELAC bylaws.
3. The general purpose of this meeting is to provide information to the members on the programs and services provided at the school. This should include a brief description of Structured English Immersion, English Language Mainstream Classrooms, English language development, and how access is provided so students understand the core curriculum.
4. Review reclassification criteria and procedures.
5. Incorporate a presentation from the Needs Assessment.

### Agenda III

1. The focus of this meeting is the School Improvement Plan.
2. A brief presentation on the importance of regular school attendance should be included.
3. The purpose of the School Improvement Plan should be shared. It is important to clarify that the ELAC provides advice, but does not have the authority to approve the plan.
4. The current EIA-LEP budget should be shared and explained.
5. Incorporate a presentation from the Needs Assessment.

### Agenda IV

1. The R-30 Language Census can be shared at this meeting.
2. The focus of the work to be done by the committee at this meeting is to reach consensus on which advice the committee wishes to formally submit with regard to the needs of English Learners and how these needs should be met in the School Improvement Plan.
3. This input must be a part of the development of the School Improvement Plan.
4. Discussions should be facilitated on changes the ELAC would like to suggest for meeting format or time, for the following year.
5. Remember that members can serve two-year terms, if this is stipulated in the bylaws.
6. Incorporate a presentation from the Needs Assessment.
