

EXPANDED LEARNING Summer Program

Summer Enrichment Courses for High School Students

Summer Enrichment Courses

Sacramento City Unified School District is working in partnership with Scout to offer enrichment courses to our high school students. Scout from University of California is a Student Academic Preparation and Educational Partnerships (SAPEP) program that develops and delivers A-G approved, online classes and curriculum to students.

The program will incorporate a blended learning opportunity, utilizing a traditional in-class teacher with online course materials.

Students that are on-track for graduation and A-G can apply to participate in this exciting opportunity. Application is now available. Please see your high school counselor to find out if you are eligible to participate in the summer program. Enrollment will be based on a first come first served basis.

Courses will be offered at:

- **C.K. McClatchy High School**
- **Hiram Johnson High School**
- **John F. Kennedy High School**
- **Luther Burbank High School**
- **Rosemont High School**
