

LEARN ABOUT OUR FACILITIES MASTER PLAN AT A VIRTUAL COMMUNITY MEETING

Sac City Unified is in the process of finalizing our Facilities Master Plan (FMP) and is looking for feedback from our community. We are holding five community meetings on Zoom between August 2-12 for Sac City Unified families, staff and community members to learn about the draft FMP and offer input.

What is the Facilities Master Plan

The Facilities Master Plan is a strategic 10-year planning document that consists of a thorough facilities assessment of 93 campuses. It also contains energy audits of each facility, design standards to support the District's educational goals, and an equity driven index that will guide the District in planning and prioritizing capital improvement projects over the next decade. The equity index looks at student needs and District's LCAP goals, neighborhood needs, and current facilities conditions to help prioritize future projects for Measure H. Measure H is a 750 Million Dollar General Obligation Bond that was passed by the Sac City Unified community during the March 3, 2020 elections.

Virtual Community Meeting Dates

August 3, 2021 from 6:00 - 7:30 p.m.

August 4, 2021 from 12:00 - 1:30 p.m.

August 5, 2021 from 3:00 - 4:30 p.m.

August 10, 2021 from 6:00 - 7:30 p.m.

August 12, 2021 from 6:00 - 7:30 p.m.

Please visit www.scusd.edu/fmp to find out how to join the meetings.
