Sacramento City Unified School District | LINKED LEARNING®

Mission

To provide students with an outstanding education, rich with relevant academic, application and leadership experiences – using healthcare as a theme.

Description

HPHS is a small, college prep, career themed high school that prepares students for college AND career as well as provided students with numerous opportunities working within the healthcare industry. HPHS is a positive and safe campus where students can take college classes, earn industry certificates in CPR and Mental Health First Aid and participate in health related internship programs!
