• Have your child join in activities with other children.
• Plan a visit to a kindergarten classroom during June.
• Attend a parent meeting on kindergarten expectations and enrollment.
• Read about and discuss with your child the fun experiences he or she will have in kindergarten.
• Take your child to his/her classroom on the first day of school and meet his/her teacher.
• Join parent groups, volunteer in your child's classroom and attend school activities such as "Back to School Night" and "Open House" events.
