This full-day program serves school-age and infant/toddlers. General child care and development programs are state and federally funded programs that use centers and family child care home networks operated or administered by either public or private agencies and local educational agencies. Programs provide an educational component that is developmentally, culturally, and linguistically appropriate for the children served. The programs also provide meals and snacks to children, parent education, referrals to health and social services for families, and staff development opportunities. The district is reimbursed \$34.38 per child, per day. Decrease is due to under-enrollment in the first quarter.	Original Contract Amount = \$1,117,141 (\$135,000) New Contract Amount = \$982,141

As defined by CASEL (Collaborative for Academic, Social and Emotional Learning), social and emotional learning is a process whereby students develop core competencies of self-awareness, self-management, social awareness, relationship skills, and responsible decision making within a safe, caring, and participatory learning environment. The <i>implementation proposal</i> to be developed during the planning period should include all the key activities outlined in CASEL's Theory of Action for District-wide social and emotional learning. These include assessment of needs and resources to support SEL programming; development of a long-term vision and goals for SEL; selection of evidence-based SEL programs; development of SEL learning standards; design of systems for professional development, integration with existing initiatives, and continuous improvement; allocation of resources to support implementation; and communication with key stakeholders (e.g. school personnel, school board, families, local philanthropic organizations, and other community partners). If the full three-year implementation proposal is approved, NoVo Foundation will provide each participating District a \$250,000 implementation grant for each of the three years.	\$125,000 No Match

The provisions of this paragraph shall survive the termination of this Agreement.

1.3 Outside Consulting Services: Contractor shall use the service of legal, actuarial and other consulting services as required in the performance of its duties for the District. The District will not be responsible for additional fees for such services without prior written disclosure and mutual agreement between the District and Contractor.

ARTICLE 2. DISCLOSURE AND RECORD KEEPING.

2.1 Full Disclosure. The District has the right to approve any arrangement and/or the utilization of any intermediaries in connection with, or arising out of, or in any way related to District's employee benefits program. Contractor must seek approval from District prior to the use of any of the above in connection with the District's employee benefits program.

2.2 Record Keeping. Contractor will maintain accurate and current files including, but now limited to, insurance policies and correspondence with insurers or District in accordance with industry standard record retention practice or as otherwise directed by District.

ARTICLE 3. TERM.

This Agreement shall commence on March 2, 2012 and continue through March 1, 2014 unless sooner terminated, as set forth in Article 11 of this Agreement, provided all services under this Agreement are performed in a manner that satisfies both the needs and reasonable expectations of the District. The determination of a satisfactory performance shall be in the sole judgment and discretion of the District in light of applicable industry standards, if applicable. The term may be extended by mutual consent of the parties on the same terms and conditions by a mutually executed addendum.

ARTICLE 4. PAYMENT.

In accordance with Contractors Response to Request for Proposal, the total amount paid under this Agreement shall be paid by commission, up to One Hundred Forty Five Thousand Dollars (\$145,000) per year, for two years, to be paid by health care providers. District will provide Contractor with access to all needed records and materials during normal business hours upon reasonable notice. However, District shall not be responsible for nor will it be required to provide personnel to accomplish the duties and obligations of Contractor under this Agreement. Contractor will provide all other necessary equipment and facilities to render the services pursuant to this Agreement.

ARTICLE 6. WORKS FOR HIRE/COPYRIGHT/TRADEMARK/PATENT

The Contractor understands and agrees that all matters specifically produced under this Agreement that contain no intellectual property or other protected works owned by Contractor shall be works for hire and shall become the sole property of the District and cannot be used without the District's express written permission. The District shall have the right, title and interest in said matters, including the right to secure and maintain the copyright, trademark and/or patent of said matter in the name of the District. The Contractor consents to the use of the Contractor's

name in conjunction with the sale, use, performance and distribution of the matters, for any purpose in any medium.

As to those matters specifically produced under this Agreement that are composed of intellectual property or other protected works, Contractor must clearly identify to the District those protected elements included in the completed work. The remainder of the intellectual property of such completed works shall be deemed the sole property of the District. The completed works that include both elements of Contractor's protected works and the District's protected works, shall be subject to a mutual non-exclusive license agreement that permits either party to utilize the completed work in a manner consistent with this Agreement including the sale, use, performance and distribution of the matters, for any purpose in any medium.

ARTICLE 7. INDEPENDENT CONTRACTOR.

Contractor's relationship to the District under this Agreement shall be one of an independent contractor. The Contractor and all of their employees shall not be employees or agents of the District and are not entitled to participate in any District pension plans, retirement, health and welfare programs, or any similar programs or benefits, as a result of this Agreement.

The Contractor and their employees or agents rendering services under this agreement shall not be employees of the District for federal or state tax purposes, or for any other purpose. The Contractor acknowledges and agrees that it is the sole responsibility of the Contractor to report as income its compensation from the District and to make the requisite tax filings and payments to the appropriate federal, state, and/or local tax authorities. No part of the Contractor's compensation shall be subject to withholding by the District for the payment of social security, unemployment, or disability insurance, or any other similar state or federal tax obligation.

The Contractor agrees to defend, indemnify and hold the District harmless from any and all claims, losses, liabilities, or damages arising from any contention by a third party that an employer-employee relationship exists by reason of this Agreement.

The District assumes no liability for workers' compensation or liability for loss, damage or injury to persons or property during or relating to the performance of services under this Agreement.

ARTICLE 8. FINGERPRINTING REQUIREMENTS.

Education Code Section 45125.1 states that if employees of any contractor providing school site administrative or similar services may have any contact with any pupils, those employees shall be fingerprinted by the Department of Justice (DOJ) before entering the school site to determine that they have not been convicted of a serious or violent felony. If the District determines that more than limited contact with students will occur during the performance of these services, Contractor will not perform services until all employees providing services have been fingerprinted by the DOJ and DOJ fingerprinting clearance certification has been provided to the District.

District has determined that services performed under this Agreement will result in limited contact with pupils. Contractor is required to comply with the conditions listed in Exhibit A, Contractor's Certification of Compliance. If the Contractor is unwilling to comply with these requirements, the Contractor's employees may not enter any school site until the Contractor provides the certification of fingerprinting clearance by the DOJ for employees providing services. These requirements apply to self-employed contractors.

ARTICLE 9. MUTUAL INDEMNIFICATION.

Each of the Parties shall defend, indemnify and hold harmless the other Party, its officers, agents and employees from any and all claims, liabilities and costs, for any damages, sickness, death, or injury to person(s) or property, including payment of reasonable attorney's fees, and including without limitation all consequential damages, from any cause whatsoever, arising directly or indirectly from or connected with the operations or services performed under this Agreement, caused in whole or in part by the negligent or intentional acts or omissions of the Parties or its agents, employees or subcontractors.

It is the intention of the Parties, where fault is determined to have been contributory, principles of comparative fault will be followed and each Party shall bear the proportionate cost of any damage attributable to fault of that Party. It is further understood and agreed that such indemnification will survive the termination of this Agreement.

ARTICLE 10. INSURANCE.

Prior to commencement of services and during the life of this Agreement, Contractor shall provide the District with a copy of its policy evidencing its comprehensive general liability insurance coverage in a sum not less than \$1,000,000 per occurrence. Contractor will also provide a written endorsement to such policy naming District as an additional insured, and such endorsement shall also state "Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory." If insurance is not kept in force during the entire term of the Agreement, District may procure the necessary insurance and pay the premium therefore, and the premium shall be paid by the Contractor to the District.

ARTICLE 11. TERMINATION.

The District may terminate this Agreement without cause upon giving the Contractor thirty days written notice. Notice shall be deemed given when received by Contractor, or no later than three days after the day of mailing, whichever is sooner.

The District may terminate this Agreement with cause upon written notice of intention to terminate for cause. A Termination for Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by the Contractor exposing the District to liability to others for personal injury or property damage; or (c) the Contractor confirms its insolvency or is adjudged a bankrupt; Contractor makes a general assignment for the benefit of creditors, or a receiver is appointed on account of the Contractor's insolvency.

Ten (10) calendar days after service of such notice, the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, or this Agreement shall cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to the District. Written notice by the District shall be deemed given when received by the other party or no later than three days after the day of mailing, whichever is sooner.

ARTICLE 12. ASSIGNMENT.

This Agreement is for personal services to be performed by the Contractor. Neither this Agreement nor any duties or obligations to be performed under this Agreement shall be assigned without the prior written consent of the District, which shall not be unreasonably withheld. In the event of an assignment to which the District has consented, the assignee or his/her or its legal representative shall agree in writing with the District to personally assume, perform, and be bound by the covenants, obligations, and agreements contained in this Agreement.

ARTICLE 13. NOTICES.

Any notices, requests, demand or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given on the date of service if served personally on the party to whom notice is to be given, or on the third day after mailing if mailed to the party to whom notice is to be given, by first class mail, registered or certified, postage prepaid, or on the day after dispatching by Federal Express or another overnight delivery service, and properly addressed as follows:

There are no promises, terms, conditions or obligations, oral or written, between or among the parties relating to the subject matter of this Agreement that are not fully expressed in this Agreement. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligations under this Agreement be waived, except by written instrument signed by the party to be otherwise expressly permitted in this Agreement.

ARTICLE 15. CONFLICT OF INTEREST.

The Contractor shall abide by and be subject to all applicable District policies, regulations, statutes or other laws regarding conflict of interest. Contractor shall not hire any officer or employee of the District to perform any service covered by this Agreement. If the work is to be performed in connection with a Federal contract or grant, Contractor shall not hire any employee of the United States government to perform any service covered by this Agreement.

In the event of a change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to the District's attention in writing.

ARTICLE 16. NONDISCRIMINATION.

It is the policy of the District that in connection with all services performed under contract, there will be no discrimination against any prospective or active employee engaged in the work because of race, color, ancestry, national origin, handicap, religious creed, sex, age or marital

status. Contractor agrees to comply with applicable federal and California laws including, but not limited to, the California Fair Employment and Housing Act.

ARTICLE 17. ATTORNEY'S FEES.

In the event of any action or proceeding brought by one party against the other party under this Agreement, the prevailing party shall be entitled to recover its attorney's fees and reasonable costs in such action or proceeding in such an amount as the court may judge reasonable.

CONTRACTOR CERTIFICATION of COMPLIANCE

Fingerprinting: Education Code section 45125.1 provides that any contractor providing school site administrative or similar services to a school district must certify that employees who may come into contact with pupils have not been convicted of a serious or violent felony as defined by law. Those employees must be fingerprinted and the Department of Justice (DOJ) must report to the Contractor if they have been convicted of such felonies. No person convicted may be assigned to work under the contract. Depending on the totality of circumstances including (1) the length of time the employees will be on school grounds, (2) whether pupils will be in proximity of the site where the employees will be working and (3) whether the contractors will be working alone or with others, the District may determine that the employees will have only limited contact with pupils and neither fingerprinting nor certification is required.

The District has determined that section 45125.1 is applicable to this Agreement, and that the employees assigned to work at a school site under this Agreement will have only limited contact with pupils, provided the following conditions are met at all times:

1. Employees shall not come into contact with pupils or work in the proximity of pupils at any time except under the direct supervision of school district employees.
2. Employees shall use only restroom facilities reserved for District employees and shall not use student restrooms at any time.
3. Contractor will inform all employees who perform work at any school or District site of these conditions and require its employees, as a condition of employment, to adhere to them.
4. Contractor will immediately report to District any apparent violation of these conditions.
5. Contractor shall assume responsibility for enforcement of these conditions at all times during the term of this Agreement.

If, for any reason, the Contractor cannot adhere to the conditions stated above, the Contractor shall immediately so inform the District and shall assign only employees who have been fingerprinted and cleared for employment by the Department of Justice. In that case, the Contractor shall provide to the District the names of all employees assigned to perform work under this Agreement. Compliance with these conditions, or with the fingerprinting requirements, is a condition of this Agreement, and the District reserves the right to suspend or terminate the Agreement at any time for noncompliance.
