Recommendation: Conduct Public Hearing prior to approval of California Department of Education Waiver Request: QEIA Components for Edward Kemble, Ethel Phillips, Hiram Johnson and Luther Burbank

Background/Rationale:

The QEIA Grant requires a public hearing prior to waiver approval.

The QEIA Grant requires participating schools to meet targets in six component areas: Teacher Experience Index, Class Size Reduction, Highly Qualified Teacher, Professional Development, Williams Settlement Case and Academic Performance Index. The individual targets for each QEIA school were established utilizing 2005-06 school year data. The QEIA funds served to significantly reduce class size and meet the additional requirements in the early years of QEIA implementation, but are no longer sufficient to meet the targets. Each of the QEIA schools have encountered increasingly difficult challenges imposed by limited site budgets, changes in the state level CSR Program, recalculated class sizes in SCUSD, impact of teacher surplusing within the district, change in site leadership and change in program.

The following QEIA schools are requesting waivers with the State Board of Education: Edward Kemble, Ethel Phillips, Hiram Johnson and Luther Burbank High Schools. The rationale for each site's request is contained within the corresponding waiver.

Financial Considerations: Loss of QEIA funds if waiver is not granted. For 2011-12 QEIA funds per school were:

Edward Kemble	\$222,631
Ethel Phillips	\$262,511
Hiram Johnson	\$1,720,069
Luther Burbank	\$1,812,990
