Recommendation

Receive information from the Design Teams at Caleb Greenwood K-8 School, Kit Carson Middle School, John Still Elementary/Middle School and the School of Engineering and Sciences.

Background/Rationale:

On December 8, 2011 the Superintendent presented his recommendations for school consolidations and closures to the Board for discussion. At that time, the Board tabled the school closure recommendations for A.M. Winn, C.P. Huntington and Freeport and the design team processes for the proposed consolidation of Edward Kemble and Cesar Chavez Elementary Schools, the proposed co-location or swap of West Campus and Sacramento Charter High School and the proposed consolidation of Kit Carson and Sutter Middle Schools.

The Board further directed staff to continue with the ongoing Design Team processes at Caleb Greenwood K-8 School, Kit Carson Middle School, John Still Elementary/Middle School and the School of Engineering and Sciences. Information from the Design Teams was presented at the December 14, 2011 Board meeting. At the December 14, 2011 meeting the Board tabled the design team process regarding the consolidation of Hollywood Park and Leonardo da Vinci schools.
