

Wellness Resources for Members

Telephonic wellness coaching

Whether you are trying to eat better, lose weight, get active, or manage stress, getting started and staying motivated can be a challenge. Now you can get the extra support you need to make healthy changes and stick with them just by making a phone call. Simply call **1-866-862-4295**, weekdays, 7am to 8pm to speak with a health coach. This free service is available in English and Spanish to Kaiser Permanente members.

Health education classes

Learn more about health topics, how to manage health conditions, and how to make healthy changes to your lifestyle. Kaiser Permanente offers classes and programs at our medical offices for members and non-members. Class schedules are available at kp.org/classes. Call **1-866-868-7112** to register.

Webinars

Take an active role in improving your health with our convenient live or recorded webinars from your home or workplace. View free programs through your browser and listen through your telephone or computer. Register for a webinar by visiting kpwebinar.org.

Take a Total Health Assessment

Respond confidentially to questions on physical activity, nutrition, stress, other health behaviors, and your health status and receive a personalized report detailing what you are doing well and what steps you can do to improve your health and well-being. To take the Total Health Assessment, visit kp.org/THA. You must be a registered user on kp.org. If you are not a registered user, visit kp.org/register.

Quit smoking

Every year more than a million people quit smoking. Even if you've tried quitting before, it's important to keep at it. Most people who try to stop smoking eventually succeed! Visit kp.org/quitsmoking to learn more or call the Colorado QuitLine at **1-800-784-8669** for free coaching and support.

Eat better and healthier

Get tips on shopping or cooking as well as delicious recipes, tips for parents and older adults, and more by visiting kp.org/nutrition.

Be happier

Depression is a real—and common—medical illness that can affect your mind and body. It isn't always easy to spot. You can now take immediate steps to recognize and manage depression by visiting kp.org/depression.
