

District GATE Screening

1st Grade Proctor Orientation

All 1st grade students in SCUSD will participate in GATE screening testing beginning in January using the Naglieri Non-Verbal Abilities Test, Version 2 (NNAT2) paper/pencil. This screening will be administered by 1st grade classroom teachers in their classrooms.

This orientation is to support 1st grade teachers and their sties with the administration of the GATE screening assessment. You will gain experience with:

- Best practices for administration
- Returning completed test booklets to GATE Office
- Solutions for common issues during test administration

Orientation Dates:

December 10

December 15

January 7
