- **SCUSD BOARD POLICY:**

The Governing Board recognizes that early marriage, pregnancy or parenting may disrupt a student's education and increase the chance of a student dropping out of school. The Board therefore desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and to promote the healthy development of their children ([Sacramento City USD | BP 5146 Students: Married | Pregnant | Parenting Students, 2015](#)).
