1. Can you please advise whether the *RFP for Legal Services* encompasses **Bond Counsel**, as on page 7 (Item G) of the RFP? We do not see any mention of it under the scope of services.

**The Reference to Bond Counsel is included in I. Oral Presentation, III. Proposal Statement of Work Requirements on pages 6 and 7 under G.**

**The District will review proposals that include Bond Counsel in the scope of services but reserves the right to issue a new Request for Proposal for Bond Counsel services in the future.**
