ADDENDUM NO. 1

Date: January 22, 2021

Issued by: Sacramento City Unified School District

Project: RFP 21-05, Firewall Appliance & Support for E-Rate Year 24

You are hereby notified of the following changes, clarifications, or modifications to the original Contract Documents, Specifications, and Drawings. This Addendum shall supersede the original project documents, and shall take precedence over anything to the contrary therein. All Addenda shall be acknowledged in the Bid Form. Failure to do so may result in disqualification of the bid. All other conditions remain unchanged.

RESPONSES TO QUESTIONS RECEIVED:

1. Please clarify the requirements here for the Palo Alto maintenance. It appears that the part number in the RFP (PAN-SVC-PREM-5260-5YR) reflects NBD support and the RFP requirements section is calling for 24x7x4 not NBD.

District Response: Please include 24x7x4 support.

2. Please clarify the exact requirement for the 40G ports on the firewall.

District Response: No SFP or configuration is needed for the 40G ports on the firewall.
