

2015 SACRAMENTO COUNTY

Public Schools Directory

Sacramento
Office of Education **County**

The *Sacramento County Public Schools Directory* is an annual publication of the Sacramento County Office of Education (SCOE). The accurate, up-to-date information in this publication has been a valuable resource for SCOE staff, schools, districts, county offices of education, students, government agencies, and the general public since 1930. The document has also been available for download from SCOE's website since 2004.

Ordering Printed Copies:

The *Sacramento County Public Schools Directory* is available as a PDF that may be downloaded, printed, and searched. Visit www.scoe.net/schools.

Printed copies are also available for purchase. Please contact the SCOE Print Shop to order: (916) 228-2271 or printshop@scoe.net.

On the Cover

Butterfly • Crayon on Paper

Alyssa S. (student from Elinor Lincoln Hickey Jr./Sr. High School)

This piece was a finalist in this year's Sacramento County Office of Education student art competition. It appears in the 2015 *Student Expressions* calendar, featuring artwork crafted by students from more than a dozen Sacramento County Juvenile Court, Community Schools, and Special Education programs. Proceeds from calendar sales benefit SCOE student arts education.

Calendars cost \$8 each (plus postage, if mailed). To order your calendar, please visit:

MESSAGE FROM THE SUPERINTENDENT . . .

The Sacramento County Office of Education (SCOE) is pleased to present the 2015 Sacramento County Public Schools Directory. This annual reference guide contains valuable contact information for each of the public school districts in the county, and includes additional resources to aid those working in and with our local education community.

SCOE is responsible for providing delivery of quality educational services to districts, schools, and approximately 240,000 K-12 students in the county. Our mission at SCOE is to serve as an educational leader and agent for change in the county, region and state, and to support the preparation of students for an ever-changing and global society, through a continuously improving system of partnerships and coordinated services for our diverse community.

It is our pleasure to work directly with the Sacramento County Board of Education and the county's thirteen public school districts — their superintendents and boards of education — as well as with officials from city and county governments, state and federal legislators, and the governor's office on educational and community issues.

Our students and schools are making great academic strides. With your help and participation, their success can only grow. Students succeed when civic leaders, parents and community members get involved and work together. With your support, we will meet the education challenges of 2015 and the years to come.

David W. Gordon
County Superintendent of Schools
