

# SCUSD Student School Climate Survey (Spring 20-21)

As part of our District Common Assessment and LCAP data collection process, the district has launched a Fall School Climate Survey in addition to the annual Spring survey administration.

The Spring 20-21 student survey will be open from March 1 - 26, 2021.

Student Survey: The student survey is administered online to students in grades 3-12.

Student voice is a priority of the Board of Education as it is critical to inform district planning.
