6.11.3 Placement on the Career Lattice

6.11.3.1 At the time of initial appointment to a regular aide position on the career lattice, the Classified Personnel Services Department will evaluate an employee's educational training to determine proper class placement with the limitation that no employee may be placed higher than the instructional assistant I level. Employees who meet the 10th grade training requirement, pass High School Proficiency Test and who have completed less than thirty (30) approved college units shall be placed in the instructional aide classification. Employees who have completed thirty (30) or more approved college units before the first day of required service shall be placed in the instructional assistant I classification.

6.11.3.2 When an employee is reassigned to a class on the career lattice, and the employee has been serving in a classification not on the

career lattice which includes classroom duties and responsibilities (i.e., school community worker, teacher assistant-bilingual), the time served in the prior classification shall be considered for purposes of meeting experience requirements for the instructional assistant II or teacher associate levels. All time served in a Board-elected position shall be considered for this purpose.

6.11.4 Promotional Advancement on the Career Lattice

6.11.4.1 Twice annually, on September 1 and April 1, the Human Resources Department will review employees' training and experience to determine eligibility for movement on the career lattice. The deadline for filing units and meeting experience requirements shall be October 1 for the changes which will be made retroactive to September 1 and the deadline for filing units and meeting experience requirements shall be March 1 for the changes in April. Employees who meet training and experience requirements shall be reassigned to the next higher step on the career lattice effective September 1 for the September changes and April 1 for the April changes.

6.11.5 Types of Units Accepted

Acceptable units for placement and movement on the career lattice must meet the following requirements:

6.11.5.1 The units must be earned at or accepted by either a two-or four-year fully accredited college or university. Units which are earned prior to an employee's date of hire and which are otherwise acceptable for this career lattice, shall be counted for placement on the career lattice.

6.11.5.2 The units are for courses which will improve the employee's performance in his or her present position or a position in the same or related classification sequence, and/or will be used to qualify the employee as a "teacher candidate" defined in Section 6.11.2 above.

6.11.5.3 The units must not have been applied towards the District's professional improvement program for classified employees.

6.11.6 Prior Approval

Prior approval may be requested before undertaking any course(s) or overall program of study if acceptability for movement on the career lattice is doubtful. Prior approval forms may be requested through the Classified Personnel Services Department.

6.11.7 Filing of Units

Transcripts or official grade cards containing evidence of units earned should be filed no later than October 1 for changes retroactive to September and March 1 for changes in April, but in no case can units be considered which are not received by the Classified Personnel Services Department by October 1 for changes which will be made retroactive to September 1 and March 1 for changes in April. Records filed will not be returned to the employee. At the time of initial placement on the career lattice, employees have a maximum of sixty (60) days from their first day of required service in which to file units.

6.11.8 Salary Step Placement

An employee, upon initial appointment, shall be placed on the first step of the salary range of the classification to which they are appointed. Employees upon initial appointment may provide information to support placement above the first step. When an employee is reassigned to a classification on the career lattice or when an employee is promoted on the career lattice, his/her salary step placement shall be determined using one of the following rules:

6.11.8.1 If eligible, the employee first shall be granted an earned increment on his/her previous range.

6.11.8.2 If the previous salary, including increment adjustment, is below the first step in the new range, the employee shall be placed on the step which most closely approximates a five percent (5%) salary increase.

6.11.8.3 If the previous salary, including increment adjustment, is found on the new range, the employee shall be placed one (1) step higher.

6.11.8.4 If the previous salary, including increment adjustment, is in between steps on the new range, he/she shall be placed two (2) steps higher.

6.12 **Repayment of Money Owed to the District**

- 6.12.1 The District shall notify the employee of the amount and nature of the overpayment. This notification shall be given to the employee not less than 30 days prior to the deduction of the amount owed from the employee's paycheck and shall include the language set forth in Section 6.12.2 and 6.12.3 below. If the employee does not dispute the debt, the District may begin deducting from the next regular paycheck(s) in an amount equal to, and in like manner and duration as, the amount of overpayment per check. (For example, if the overpayment was made in equal amounts in ten (10) consecutive paychecks, the deduction for repayment shall be made in the same amounts for ten (10) consecutive paychecks). Nothing in this section shall preclude an employee and the District from agreeing to repay the debt owed in different increments, providing the agreement to do so is voluntary and is reduced to writing.
- 6.12.2 If the employee disputes the debt, information regarding the dispute shall be submitted, within ten working days of the notification of the debt owed, to the deputy superintendent, Business Services, for consideration.
- 6.12.3 If the employee disputes the decision of the deputy superintendent, Business Services, information regarding the dispute shall be submitted, within ten (10) working days of the notification of the deputy superintendent's decision to a three-member panel for consideration. This panel shall be comprised of one member chosen by the District, one member chosen by the Union, and a third member mutually agreed to by the representatives of the District and the Union. This panel shall review the information submitted by the District and the employee and render a decision as to whether the debt is owed by the employee. If the panel determines that the debt is owed, deduction from the employee's next regular paycheck shall begin in amounts set forth in Section 6.12.1.
- 6.12.4 The District shall be limited by applicable California statutes as to the time period for recovery of debts owed by employees.
- 6.12.5 In all cases, neither the District nor the employee shall be precluded from pursuing legally constituted methods of resolution of a dispute regarding the debt.

- 6.16 Whenever it is determined that an error has been made in a payroll calculation or reporting in any classified employee payroll, or in the payment of any classified employees salary, the Payroll Supervisor shall, within three (3) workdays following such determination, provide the employee with a statement of the correction and a supplemental payment drawn against any available funds.

ARTICLE 7--FRINGE BENEFITS

7 Medical Coverage

7.1 The Benefits Committee shall study all matters related to fringe benefits coverage and make recommendations regarding feasibility and cost efficiency. Special emphasis shall be given to the future plan design of health care coverage offered to all employees of the District in light of the requirements established for employers and individuals as a result of the Affordable Care Act and/or other applicable law and the need to control benefit cost. The Board shall provide all eligible employees with a choice of health plans, one of which must be the Kaiser Plan.

The District enters CalPERS under the equal method which means that each month \$16 is given to employees and retirees who qualify for benefits under CalPERS. That \$16 must be spent on health benefits through CalPERS only. CalPERS vests after five (5) years, so employees who retire into PERS and STRS after five (5) years with the District, will now be eligible for the \$16 per month lifetime benefit. Spouses of deceased employees will also be eligible for the \$16. Additional funds in a Section 125 Plan matching bargaining unit language, minus the \$16, will be given to the employee to spend on their benefits including health, dental and vision. It is an "up to" amount and no refunds will be given.

Of that amount, \$16 will be allotted specifically for health premiums. The remaining funds are discretionary for purchase of health or dental/vision benefits. Any amount not expended will not accrue to the employee.

7.1.1.2 For Retired Employees

All current and prospective eligible retirees shall also become members of CalPERS for the provisions of retiree medical benefits. For eligible retirees, the District shall contribute \$16 to

CalPERS for health benefits, and provide to the retiree an amount equal to the Kaiser Active single benefit level or the Kaiser or HealthNet single Medicare Risk program less \$16 in accordance with the contract. The remaining funds are discretionary for purchase of health or dental/vision benefits. Any amount not expended will not accrue to the retiree. Every month \$16 will be added and benefit costs will be deducted from their retirement checks. The District will send checks to the retiree to cover cost of eligible benefits less than \$16.

7.1.1.3 During the 2013-2014 school year, the District initiated a bidding process for the purpose of providing all eligible employees with affordable, appropriate value, health care coverage. 7.1.2 Open Enrollment /"Switching"

7.1.2.1 There shall be either an annual "open enrollment" or "switching" period during which time an active or retired employee may change or amend his or her carrier and/or dependency status in accordance with CalPERS.

7.1.2.2 In the event that a health provider (i.e., medical, dental, vision, life, etc.) policy or plan is either terminated by the parties or canceled by the providers, then a "switching" period may be implemented to facilitate the needs of the impacted unit members.

The District shall retain the sole discretion to change or cancel the employee assistance program/plan; provided, however, that the District shall give the Union at least thirty (30) days notice before said change or cancellation.

7.6 **Flexible Reimbursement Account**

7.6.1 The Board shall establish a flexible reimbursement account under Section 125 of the Internal Revenue Code for each eligible employee requesting such an account. The flexible reimbursement account will be operated and administered to be in compliance with all city, state, and federal laws and regulations.

If the employee is not satisfied with the result of the informal appeal, he/she may then appeal the contents of said document to the Associate Superintendent of Human Resource Services within ten (10) working days of filing a written response to the document.

An appeal, conducted by the Associate Superintendent of Human Resource Services or designee, shall be held within twenty (20) working days of the date the appeal was filed. The document in question shall not be placed in the employee's personnel file until a decision has been rendered to place the document in the employee's personnel file. If the appeal favors the employee, the questioned document shall be rendered null and void and shall not be placed in the employee's file. The decision rendered upon the appeal shall be final and binding and shall be within twenty (20) working days and not be a subject of the grievance procedure.

- 15.2.3 Once a document is placed in a personnel file specifying discipline for a specific offense, other documents may not be filed which would extend the discipline for that same offense. Filed disciplinary documents may be used when disciplinary action is being taken on subsequent offenses.
- 15.2.4 A single incident of conduct which is the subject of a document of a critical, derogatory or negative nature, an oral warning, a written reprimand, a suspension for three (3) or fewer days with or without pay, shall not be the basis in whole or in part of a special performance evaluation unless at least sixty (60) working days have elapsed between the discipline imposed and the special performance evaluation. This sixty (60) day period is intended as a time during which the employee may demonstrate correction of the conduct which gave rise to the discipline.
- 15.2.5 An incident which results in an informal reprimand or warning can be followed by a written document from the employee's immediate supervisor, detailing the subject and date of said reprimand or warning for placement in the employee's personnel file. An employee shall have the right to appeal procedures as stated in Section 2.2 of this Article.
- 15.2.6 The person who causes materials to be placed in the personnel file shall sign and date them. Anonymous documents, letters or other

materials shall not be placed in the file.

15.2.7 An employee may elect to be represented at each appeal level provided in Article 2.2 by a representative of his/her choice.

15.2.8 An employee may request a special evaluation after one (1) year from placement of documents of a derogatory, critical or negative nature. Such evaluation would be attached to such documents.

ARTICLE 17--PROFESSIONAL GROWTH PROGRAM

Special training programs/conventions/workshops:

17.4.1 All requests for prior approval of professional growth credits for proposed courses, programs, travel or special projects shall be submitted to the employee's unit administrator, or designee, for review and written approval. The employee shall have the right to appeal the decision of the unit administrator to the Chief Personnel Officer or designee.

17.4.2 Approval by the Chief Personnel Officer or designee, prior to beginning any professional growth activities is required except for those activities listed in Section 17.3.1; however, it is advised that employees obtain prior approval since it provides protection to the employee against taking a college, university or district sponsored course and later finding that it is not acceptable for salary credit.

17.4.3 Plans for Professional Growth

Plans for professional growth which include more than one (1) course or other activity listed above may be submitted to the Chief Personnel Officer or designee for prior approval, thus eliminating the need for separate approval action on each course or activity undertaken.

17.5 **Restrictions**

17.5.1 Job-Related Courses

Fifty percent (50%) of the professional growth credits (24 units) shall be directly related to the employee's duties as defined by job classification specifications and/or related to other District positions for which the employee seeks to qualify for transfer and/or promotion.

17.5.2 General Education Courses

Fifty percent (50%) of the professional growth credits (24 units) may be "general education" units which shall be certified as appropriate by the Chief Personnel Officer or designee. Courses which are avocational, hobby type or are taken for personal pleasure or amusement are not certifiable.

17.5.4 Aides' Credit and Career Lattice

Subject to 17.6.1 below, up to eighteen (18) college or university units earned by personnel by working in the Aide-Paraprofessional Unit can also be used as professional growth credits even if the units were used for movement on the career lattice. Thirty three (33%) percent of the eligible units that had been used on the career lattice may, upon the movement by the employee to a classification not listed in 6.11.2, be paid upon the employee assuming the duties of the new position. Any units remaining will be paid out subject to the yearly maximum established in 17.6.2.

17.5.5 Credits During Employment

Only units completed after employment with the District may be considered for professional growth credit. Job related and general education units may be earned in any order up to the maximum number of units established in 17.5.1 and 17.5.2.

17.5.6 Courses Taken Prior to Adoption

No professional growth credit shall be given for activities or

courses completed prior to the adoption by the Board of this program on October 29, 1973.

14 - 20.5 units	\$8.00
21 - 48.0 units	\$9.00
49 - 60.0 units	\$10.00

All allowable units will receive the increase per unit credit upon advancement to a higher per unit credit. Personnel employed for less than twelve (12) months or on a part-time basis shall receive professional growth compensation on a pro-rata basis.

- 17.6.1 No salary credit shall be granted until the employee has served three (3) full consecutive years in the District, although units may be earned immediately after employment. In determining total service, prior service of an employee who resigns and is re-employed within one (1) year shall be counted as consecutive.
- 17.6.2 After three (3) years served in the District, the employee may receive salary credit for not more than six (6) units per year. "Stockpiling" of units (earning units in advance) prior to eligibility to receive salary credit shall be limited to eighteen (18) units.
- 17.6.3 The term "per year" as used herein refers to the fiscal year, July 1 to June 30.
- 17.6.4 Verification of units earned for in-service salary credits shall be submitted as they are earned to the Human Resource Services. Twice annually, on September 1 and April 1, the Human Resource Services will review employees' length of service and accumulated units to determine eligibility for receiving in-service salary credit. The deadline for filing units and meeting experience requirements shall be August 1 for the changes effective September 1 and March 1 for changes effective April 1. Compensation for in-service growth credit shall be retroactive to September 1 for units filed by the August 1 deadline and retroactive to April 1 for units filed by

the March 1 deadline.

17.6.5 No less than one-half (1/2) unit of credit may be submitted at any one time.

17.7 **Appeal Procedures**

17.7.1 Employees whose requests for prior approval or for acceptance of completed work have been denied by the Associate Superintendent, Human Resource Services, or designee may appeal such decisions to the Professional Growth Program Appeal Committee. The employee who denies the request shall not be a member of the Appeal Committee. Members of the committee, to be selected by management, shall be a school principal, a member of the management team responsible for directing the work of employees in the same classification as the appellant, a supervisor who is responsible for supervising the work of employees in the same classification as the appellant, and the Associate Superintendent, Human Resource Services, or designee, who shall chair the committee and who shall vote only in the event of a tie. Members of the committee representing classified non-management employees shall be three (3) individuals selected by the appellant from a list of twenty (20) prepared by the Union which shall include employees from each bargaining unit and job sector. The decisions of the appeal committee shall not be subject to the grievance procedure.

17.7.2 The Superintendent or designee shall review upon appeal by the employee the written record of the appeal committee. The Superintendent or designee may or may not, after reviewing the written record, reconvene the parties. The decision of the superintendent or designee shall be final and shall not be subject to the grievance procedure.

ARTICLE 18 -- GRIEVANCE PROCEDURE

18 **Purpose**

18.1 The purpose of this grievance procedure is to process a claim of

grievance and to secure, at the administrative level closest to the grievant, solutions to problems which may from time to time arise under this Agreement. This grievance procedure shall not be construed as in any way hindering, discouraging, or denying the settlement of grievances or problems within the normal administrative channels of the District.

18.2 **Definitions**

18.2.1 A “grievance” is a written claim by one or more named employees or the Union of an alleged violation, misinterpretation, or misapplication of a provision of this Agreement which has an adverse affect on the grieving employee or group of grieving employees.

18.2.2 A “working day” is any day in which the central administrative offices of the Sacramento City Unified School District are open for business.

18.2.3 A “grievant” is a named person or the union asserting a grievance .

18.2.4 A “party in interest” is the person or persons making the claim of grievance and any person who might be required to take action or against whom action might be taken in order to resolve the grievance.

18.2.5 An “employee” is a classified employee in any of the represented bargaining units.

18.3 **Limitations Period**

18.3.1 No grievance shall be recognized unless the grievant has filed a written formal Level I grievance in accordance with 18.4.3 and 18.4.4 below, within twenty (20) working days after the grievant knew or should have known of the first act, occurrence, event or circumstance alleged to constitute the grievance.

18.4 **Informal Procedure**

18.4.1 A grievance shall be discussed orally with the grievant’s principal or unit administrator with the objective of resolving the matter informally, before proceeding to the formal procedure listed below. Upon a verbal request by the grievant, a conference shall be scheduled where the grievant shall explain the problem and suggest possible solutions. Solutions reached at the informal Level I shall not establish a precedent. The grievant has the right to

Union representation during the informal meeting.

18.4.2 Settlements that require implementation beyond the school site or unit level will not be final until approved by the appropriate District-level administrator. Upon request, settlements shall be reduced to writing.

18.4.3 If the grievant is not satisfied with the proposed resolution after the informal conference, if any, the grievant may invoke the formal grievance procedure, as outlined below, by filing a written Level I grievance with his or her principal or unit administrator and providing a copy to the Office of Employer/Employee Relations.

18.4.4 The written Level I grievance shall be upon a form provided by the District and shall include the following:

- a. A detailed description of the specific grounds of the grievance including names, dates, and places necessary for an understanding of the grievance;
- b. A listing of the specific article(s) and section(s) of the Agreement alleged to have been violated, misinterpreted or misapplied; and
- c. A listing of specific action(s) requested of the District which will remedy the grievance.

18.4.5 The union and the District agree to meet to discuss developing a new grievance form.

18.5 **Formal Procedure**

18.5.1 **Level I**

18.5.1.1 A Level I meeting shall be held within ten (10) working days after filing the written Level I grievance. A Level I meeting may be waived only if both parties agree in writing. The grievant has the right to Union representation during the Level I meeting.

18.5.1.2 All settlements reached during a Level I meeting shall be reduced to writing. Settlements that require implementation beyond the school site or unit level will not be final until approved by the appropriate District-level administrator. Settlements reached at Level I shall not establish a precedent unless the parties mutually agree otherwise.

18.5.1.3 If no settlement is reached during the Level I meeting, the principal or unit administrator shall send a written decision to the grievant and the exclusive representative within ten (10) working days following the final Level I meeting. If no Level I meeting is held, the principal or unit administrator shall send a written decision to the grievant and the exclusive representative within ten (10) working days of receipt of the written Level I grievance.

18.6 **Level II**

18.6.1 If the grievant or the Union is not satisfied with the written Level I decision, the grievant or the Union may file a written request for a Level II meeting with the Office of Employee Relations within ten (10) working days of the receipt of the written Level I decision. If the grievant does not receive a written Level I decision as required by section 18.5.1.3 within ten (10) working days following the final Level I meeting, the grievant or the Union may file a written request for a Level II meeting with the Office of Employee Relations within twenty (20) working days of the final Level I meeting. If no Level I meeting is held, and the grievant does not receive a written Level I decision as required by section 18.5.1.3, the Union or the grievant may file a written request for a Level II meeting with the Office of Employee Relations within twenty (20) working days of filing the written Level I grievance. Grievants not complying with the above time constraints for filing at Level II will be deemed to have waived their rights to a Level II meeting.

18.6.2 The written Level II grievance shall include the following:

- a. A detailed description of the specific grounds of the grievance, including names, dates and places necessary for an understanding of the grievance;
- b. A listing of the specific article(s) and section(s) of the Agreement alleged to have been violated, misinterpreted, or misapplied;
- c. A listing of specific action(s) requested of the school District which will remedy the grievance; and

d. A copy of the Level I grievance and decision.

18.6.3 A Level II written grievance shall be considered a formal request for a Level II mediation, and, if the matter remains unsettled after the final mediation session, a written decision by the Superintendent or his/her designee. Initial Mediation shall be held within thirty (30) working days from receipt of the written Level II grievance by the Office of Employee Relations, unless extended by mutual agreement of the parties.

18.7 **Mediation**

18.7.1 Mediation shall be scheduled based on a mutually agreeable date for the parties and the mediator. Additional days to continue a mediation will be scheduled, if necessary.

18.7.2 All costs of the mediator, if any, shall be borne equally by the parties.

18.8 Mediation Procedures

18.8.1 The mediation procedure shall be entirely informal in nature; however, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. However, the parties are free to take notes during the mediation. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of the other participants at the mediation.

18.8.2 The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one party. If the grievance is not settled, granted, or withdrawn, the Superintendent or his/her designee shall provide a written decision to the grievant and exclusive representative within fifteen (15) working days after the close of the final Level II mediation. If by the mutual agreement of both parties, no Level II mediation is held, the Superintendent or his/her designee shall provide a written decision to the grievant and exclusive representative within fifteen (15) working days of receipt of the written Level II grievance.

18.8.3 The parties understand that mutual agreements secured at Level II are precedent setting unless the parties stipulate otherwise.

18.8.4 Any grievance not resolved within fifteen (15) working days after the final mediation session with no subsequent mediation session(s) scheduled and which the Union wishes to pursue may be appealed by the Union to Level III.

18.8.5 Offers or concessions made by the parties during mediation shall not be used against a party during any subsequent arbitration.

18.9 **Level III-- Arbitration**

18.9.1 Appeal

If the grievant is not satisfied with the disposition of the grievance at Level II, the Union may request, in writing, a hearing before an arbitrator. Such written request shall be filed in the Office of Employee Relations within ten (10) working days after receipt of the written Level II decision of the superintendent, or his/her designee. Appeal to Level III arbitration may also be made by the Union if the District fails to schedule a Level II mediation within thirty (30) working days after receipt of written Level II grievance or if the District fails to render a written Level II decision within the fifteen (15) working day time line as stated in Sections 18.8.2 or 18.8.4. The Union's right to request Level III arbitration shall be waived if a written request for arbitration is not received by the Office of Employee Relations within ten (10) working days after the expiration of the time for District action (i.e., thirty (30) working days to schedule Level II mediation or fifteen (15) working days to render a decision).

18.9.2 Selection of Arbitrator

When arbitration has been requested, the Union shall write the California State Mediation and Conciliation Services for a list of five (5) arbitrators. The grievant's representative and the representative of the Office of Employee Relations shall alternatively strike names from such list until only one (1) name remains.

18.9.3 Costs of Arbitration

18.9.3.1 Each party shall bear the full costs for its representation in the

arbitration. The arbitrator's fees and charges shall be divided equally between the Union and the District.

18.9.3.2 A certified court reporter shall be employed to record verbatim the entire arbitration hearing, if requested by either the grievant or the District. In any case in which a court reporter is involved, the parties shall share equally the cost of such reporter, including per diem, mileage, and other out-of-pocket expenses. If the arbitrator requests a court reporter, the parties shall likewise share equally the cost of such reporter. The cost of transcripts shall be borne by the party ordering such transcripts.

18.9.4 Function of Arbitrator

18.9.4.1 The function of the arbitrator shall be:

- a. To hold a hearing concerning the grievance, and
- b. To render a binding decision within thirty (30) days after the close of the hearing.

18.9.5 Hearings

Once the arbitrator has been selected, hearings shall commence and be held at the convenience of the arbitrator.

18.9.5.1 Within thirty (30) calendar days of the appeal to Level III, and in no case later than thirty (30) days prior to the Level III meeting before the arbitrator, the parties agree to meet in a conference to:

- a. Attempt to frame the issue to be submitted to the arbitrator;
- b. Share all evidence;
- c. Clarify whether a court reporter is necessary, determine the site; and
- d. Reinitiate efforts to settle, if possible.

18.9.5.2 The parties agree that any evidence discovered subsequent to the conference will be shared at least seven (7) calendar days prior to arbitration. Evidence shared less than seven (7) days for presentation of new evidence will be grounds for delay at the

request of the receiving party. The party presenting new evidence (initially) shall be charged for the costs of the arbitrator.

18.9.6 Limitations

18.9.6.1 Neither the District nor the grievant shall be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party. The arbitrator shall consider only those issues which have been properly carried through prior steps as required by the provisions of this grievance procedure.

18.9.6.2 The arbitrator shall not render any award which conflicts with or alters this Agreement.

18.9.6.3 It is understood, however, that the arbitrator shall interpret the Agreement in accordance with acceptable rules of contract construction.

18.9.7 Decision

18.9.7.1 The arbitrator is empowered to include in any award such financial reimbursements or other remedies as judged to be proper. However, no award of back pay beyond twenty (20) days prior to the filing of the written Level I grievance will be allowed. Nor will any award of monies for the purpose of fining, punishing, or making an example of either party be allowed.

18.10 **General Provisions**

18.10.1 A decision rendered at any level shall be considered final unless an appeal is registered within the time limits specified.

18.10.2 Time allowances set forth at each level may be extended by mutual written consent of the grievant and the District.

18.10.3 Should the processing of any grievance require that an employee be released from his/her regular assignment, he/she shall be released without loss of pay or benefits.

18.10.4 No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

- 18.10.5 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 18.10.6 All parties to the grievance shall make available to other parties involved all pertinent information not privileged under the law in its possession or control which is relevant to the issues raised by the grievance.
- 18.10.7 Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed.
- 18.10.8 A grievant may be represented by the Union at any level of the grievance procedure. No party shall be required to discuss any grievance if his/her representative is not present.
- 18.11 **Grievance Form**
- All formal grievances shall be filed on a District grievance form which shall be designed and agreed upon by the District and the Union.

- v. Any conduct or act either during or outside of duty hours that adversely affects or impacts the District or the employment of the employee (e.g., immoral conduct, discourteous and/or unprofessional treatment of the public, students, or other employees).

19.2.2 Except as defined in item [s] above, no personnel action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of Notice of Proposed Disciplinary Action unless this cause was concealed or not disclosed by the employee which it could be reasonably assumed that the employee would have disclosed the facts to the District.

19.3 **Notice of Proposed Disciplinary Action**

19.3.1 The Superintendent or designee may initiate a disciplinary action against a permanent classified employee.

19.3.2 A Notice of Proposed Disciplinary Action shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The Notice shall include:

19.4 **Predisciplinary Meeting**

19.4.1 The predisciplinary meeting allows the classified permanent employee an informal opportunity to respond either orally or in writing to the allegations stated in the Notice of Proposed Disciplinary Action. The employee shall be allowed to bring a Union representative to the predisciplinary meeting. It is the employee's responsibility to arrange for Union representation. The predisciplinary meeting shall be conducted by the Superintendent's designee. The designee shall be a person who is not in the same department or unit as the person who has conducted the investigation forming the basis of the predisciplinary action and/or who has made the initial recommendation for disciplinary action.

The predisciplinary meeting may be tape recorded with mutual agreement of the parties.

19.4.2 The Superintendent's designee conducting the predisciplinary meeting shall consider the employee's response, if any, and within fifteen (15) calendar days following the predisciplinary meeting, issue a written recommendation regarding the proposed disciplinary action. If disciplinary action is warranted the Superintendent's designee shall determine the level of discipline and serve on the employee a Notice of Disciplinary Action as set forth below.

19.4.3 If the Notice of Disciplinary Action is a suspension without pay for three (3) days or less the disciplinary action shall be effective the day of service of the Notice, or at a date determined by the District. All other disciplinary actions shall be effective as determined by the District after a waiver of a disciplinary hearing, agreement by the District and the employee, or after a hearing as outlined below.

19.5 **Notice of Disciplinary Action**

19.5.1 A Notice of Disciplinary Action shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The Notice shall include:

- a. A statement of the nature of the disciplinary action (e.g., transfer, suspension without pay, demotion, reduction of pay step in class, or dismissal);
- b. A statement of the cause or causes for the disciplinary action, as set forth above;
- c. A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the District is alleged, the rule, policy, or regulation violated shall be stated in the Notice;
- d. A statement of the employee's right to a hearing (as outlined below) and the time within which a hearing must be requested; and
- e. A "Hearing Request Form," the timely signing and filing of which shall constitute a request for a hearing and a denial of all charges.

19.5.2 A copy of the classified employee disciplinary procedure shall be attached to the Notice. The Union will be notified, by separate notice, that the District intends to take disciplinary action against a bargaining unit member.

19.6 **Mediation**

19.6.1 Effective July 1, 2003, the Mediation process will be

implemented into the disciplinary process.

- 19.6.2 The Mediation procedure of the discipline process will be used if a settlement is not reached during the pre-disciplinary meeting as outlined in Article 19.4. The mediation procedure will take place prior to the formal hearing outlined in Article 19.12.
- 19.6.3 The State Mediation and Conciliation service shall be utilized for Mediation services and any and all costs shall be borne equally by the parties.
- 19.6.4 Upon written request by the Union or the member, to the Employee Relations Office within seven (7) calendar days after service of the Notice of Disciplinary Action, the District shall notify the State Mediation and Conciliation Service for Mediation services.
- 19.6.5 The Mediation procedure is in addition to, not in lieu of the formal hearing process that is currently outlined in Article 19 - Disciplinary Procedures.
- 19.6.5.1 The Mediation procedure shall be entirely informal in nature; however, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. However, the parties are free to take notes during the mediation. All persons involved in the events giving rise to the proposed discipline should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of the other participants at the mediation.
- 19.6.5.2 The primary effort of the mediator shall be to assist the parties in settling the proposed disciplinary action in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one party and issuing a mediator's advisory opinion. If the proposed disciplinary action is not settled, the formal hearing process may be invoked in accordance with Article 19 - Disciplinary Procedures of the District / Union CBA.
- 19.6.5.3 No offers of settlement by either party or any mediator's advisory opinion, if issued, can be used in any other proceeding.
- 19.7 **Request for a Hearing**

- 19.7.1 Within seven (7) calendar days after service of the Notice of Disciplinary Action described above, the employee may request a hearing by signing and filing the "Hearing Request Form" included in the Notice of Disciplinary Action. Any other written document requesting a hearing, signed and appropriated filed by the employee within the specified time limit, shall also constitute a sufficient request for a hearing and denial of all charges. A request for a hearing will be considered appropriately filed only when:

Postmarked or received by Human Resources, or other office designated in the Notice, on or before the seventh calendar day after service of the Notice of Disciplinary Action.

- 19.7.2 If the employee fails to file a request for a hearing within the time specified above, he/she shall be deemed to have completely waived his or her right to a hearing, and the Board may order the disciplinary action into effect immediately.

19.8 **Employment Status Pending Appeal or Waiver**

- 19.8.1 Except as provided herein, any employee against whom a Notice of Proposed Disciplinary Action or Notice of Disciplinary Action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

19.9 **Administrative Leave**

- 19.9.1 A classified employee may be placed by the Superintendent or designee on administrative leave from duty with pay pending an Investigation and determination of whether discipline should be invoked against the employee.

19.10 **Suspension Without Pay**

- 19.10.1 A classified employee may be placed by the Superintendent or designee on suspension without pay pending further disciplinary action only if continuation of the employee in active duty would result in unreasonable risk of harm to students, staff, and/or property.

- 19.10.2 Suspension without pay may be ordered by the Superintendent or

designee only after the employee has been orally notified of the reasons and has been provided an opportunity to orally respond.

19.11 **Compulsory Leave**

19.11.1 Any classified employee charged with the commission of any sex offense as defined in, but not limited to, Education Code section 44010, or with the commission of any narcotics offense as defined in, but not limited to, Education Code section 44011, may be placed upon compulsory leave of absence without pay and benefits pending a final disposition of such charges pursuant to Education Code section 45304.

19.12 **Hearing Procedures**

19.12.1 All hearings shall be heard by a hearing officer from the California State Mediation and Conciliation Services, except in those cases where the Board determines to hear the matter itself. The District shall pay all hearing officer costs and fees. The employee's representative and the representative from the Office of Employee Relations shall alternatively strike names from the list provided by the State Mediation and Conciliation Services until one name remains.

19.12.2 The hearing shall be held at the earliest date possible, taking into consideration the availability of counsel and witnesses; provided, however, that no hearing shall be held less than five (5) nor more than thirty (30) calendar days. The hearing officers shall be contacted and advised it is the preference of the parties to schedule a hearing within thirty (30) calendar days. The parties shall be provided written notification of the time and place of hearing.

19.12.3 At any time before Disciplinary Action has been submitted to the Board or to a hearing officer for decision, the District may, with the consent of the Board or hearing officer, serve upon the employee an amended or supplemental Notice of Disciplinary Action.

If the amended or supplemental Notice of Disciplinary Action presents new causes or allegations, the employee shall be afforded a reasonable time to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

19.12.4 Employees shall be entitled to appear personally, produce

evidence, have counsel at his or her own expense, testify under oath, compel the attendance of other employees to testify at the hearing, cross-examine witnesses and argue his/her case. The procedure entitled "Administrative Adjudication" commencing with Government Code section 11500, shall not apply to any such hearing before a hearing officer or the Governing Board. Neither the Board nor the hearing officer shall be bound by rules of evidence used in California Courts, however, the evidence relied upon should be reliable. The rules of privileges and or official or judicial notice shall be effective to the same extent as in civil actions. Irrelevant and repetitious evidence shall be excluded. Oral evidence shall be taken only under oath or affirmation. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the board.

- 19.12.4.1 The hearing officer may, at its discretion, exclude witnesses not under examination, except the employee and the District representatives and their respective counsel. When hearing testimony on conduct which may bring disrepute to persons other than the accused employee, all persons not having a direct interest in the hearing may be excluded.

- 19.12.5 The dismissal hearing may be recorded by audio tape or other means at the request of either party. If the employee requests a stenographic record he/she must provide at least three (3) days advance written notice before the day set for the hearing and pay the costs for such reporting or recording. Transcripts of the hearing shall be furnished to any person upon payment of the cost of preparing such transcript.

- 19.12.6 The hearing officer may grant a continuance of any hearing upon such terms and conditions as he/she may deem proper. Any request for a continuance made less than 48 hours prior to the time set for the hearing will be denied unless good cause is shown for the continuance.

- 19.12.7 When the board is hearing the matter, the employee shall be entitled to a public hearing if he/she requests it in a timely manner. In any case in which the Board hears the matter, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the matter is heard by the board, the board may affirm, modify or reject the recommended disciplinary action.

- 19.12.8 If the matter is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the board, in accordance with subsection (j) below, as the decision in the case. In arriving at a decision or a proposed decision on the propriety of

the proposed disciplinary action, the board or the hearing officer may consider the records of any prior disciplinary proceedings against the employee in which a disciplinary action was ultimately sustained and any records of the employee's personnel file which were introduced into evidence at the hearing. A copy of the proposed decision shall be received and filed with the Governing Board of Education and furnished to each party within twenty (20) working days after the close of hearing.

19.12.9 Upon receipt of the proposed decision from the hearing officer the board may:

- a. Adopt the proposed decision in its entirety;
- b. Adopt the proposed decision in part, thereby rejecting other parts;
- c. Modify the proposed disciplinary action and/or proposed decision; or
- d. Reject the proposed decision in its entirety.

19.12.10 The decision of the Governing Board shall be in writing and shall contain findings of fact and the disciplinary action, if any. If fully adopted, the hearing officer's findings will serve as the Board's findings. The findings may reiterate, and/or make reference to, the language of the recommendation for disciplinary action in which case they will be incorporated by reference. A copy of the decision shall be delivered to the classified permanent employee and/or his designated representative personally or by registered mail or certified mail, return receipt requested, at the employee's last known address on file with the District.

19.12.11 The Governing Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive. The decision of the Governing Board shall be final.

ARTICLE 20 -- LAYOFF

20.1 Layoff Defined

A layoff is an involuntary separation from service or an involuntary reduction in an employee's hours or work year as defined herein based upon a lack of work or lack of funds. A layoff also includes any reduction in hours or work year or assignment to a classification lower than that which the employee has permanence, voluntarily consented to by the employee, in order to avoid interruption of employment by layoff. Temporary and substitute employees may be separated at the completion of their assignment without regard to the procedures in this Article.

20.2 Probationary Work Year Defined

For purposes of this Article 20 (Layoff) only, all members of the bargaining unit shall be assigned to a work year, as defined herein, depending upon the number of days per school year they work. An employee working from 179 to 181 days shall be assigned a nine (9) month work year. An employee working from 182 to 208 days shall be assigned a ten (10) month work year. An employee working from 209 to 241 days shall be assigned an eleven (11) month work year. An employee working more than 241 days shall be assigned a twelve (12) month work year.

20.3 Layoff Seniority

For purposes of Article 20 (Layoff), seniority is established by the employee's date of hire as a regular probationary or permanent employee of the District in the classification (this calculation does not include any substitute or temporary time served by the unit member unless this time was used to compute the completion of the employee's probationary work year under Section 14.3.1) plus any service in higher classes (i.e., those with higher pay ranges) with deductions for any unpaid time as outlined below. Except for reinstatement within thirty nine (39) months or reemployment as a probationary employee within the same class within one year of resignation, a break in employment and subsequent reemployment shall create a new hire date. If two or more employees subject to layoff have equal seniority as defined herein, then the employee with the most recent hire date in the District shall be laid off first. If date of hire in the District does not break the tie then the tie shall be broken by random drawing.

20.3.1 Service Credit for Certain Unpaid Leaves

The District shall grant seniority credit for time spent on unpaid leaves in the following areas: Military Leave, Illness Leave, Maternity Leave, Industrial Accident/Illness Leave, family care leave (see section 12.12.6) and any other unpaid leaves permitted by the Education Code under Section 45308.

20.3.2 No Service Credit for Other Unpaid Leaves

In the event that an employee returns to work following an unpaid leave not listed above, the employee shall not receive accrued seniority for the time not worked.

20.3.3 The Superintendent or designee shall maintain a current determination of each employee's seniority.

20.4 **Order of Layoff**

The employee who has been employed the shortest time in the classification, hours, and work year to be eliminated or for which the hours will be reduced shall be laid off first.

20.5 **District and Union Rights**

The District reserves, retains, and is vested with the sole and exclusive right to layoff employees for any reason allowed by law. In the exercise of this exclusive right, the District makes the sole determination as the hours and the positions to be eliminated. The Union retains the right to negotiate the impacts and effects of the layoff of unit members.

20.6 **Layoff Procedure**

Positions to be eliminated or for which hours will be reduced shall be identified by the District by classification, hours¹.

20.6.1 First Step: Administrative Transfer

¹For layoff purposes only, assignments with fractional hours shall be rounded up or down as follows: 0 - 1.99 = 1; 2 - 2.99 = 2; 3 - 3.99 = 3; 4 - 4.99 = 4; 5 - 5.99 = 5; 6 - 6.99 = 6; 7 - 7.99 = 7; and 8 = 8.

The employee(s) in the position(s) to be eliminated or for which the hours will be reduced by the District shall be administratively transferred to a vacant position, if any, in the same classification, hours, and work year. If there is more than one vacancy in the classification, hours, and work year the employee shall be allowed to select a vacancy. If there is one or more employees in the same classification, hours and work year in the position to be eliminated or for which the hours will be reduced, the most senior employee shall be administratively transferred first. Employees being transferred under this section shall receive at least ten (10) working days notice of their new assignment.

20.6.2 Second Step: Layoff

If there are no vacancies in the classification, hours, and work year of the position to be eliminated or for which the hours will be reduced the District shall engage in a layoff.

20.6.3 Third Step: Bumping Rights Within a Classification

An employee whose position is being eliminated or for which the hours will be reduced may displace the employee within his/her classification, hours, and work year who has the least seniority.

20.6.4 Fourth Step: Bumping Rights to Another Classification

The employee having the least seniority within his/her classification, hours, and work year who is to be laid off, and who has seniority in a different classification, hours, and work year (with an equal or lower maximum salary range) greater than that of an incumbent, shall be placed in a vacancy, if any. If no vacancy exists then the employee shall have the right to displace the incumbent with the least seniority in that classification, hours, and work year.

20.6.4.1 Bumping Rules

An employee who has been displaced by bumping shall have the same bumping rights as if his/her position had been eliminated. Employees in positions for which the District is reducing the assigned time shall have bumping rights as if the position was being eliminated. An employee shall not bump into a higher classification (i.e., one that has a higher salary range), more hours, or a longer work year. If an employee waives bumping rights, he/she shall be placed on a thirty nine (39) month reemployment

list.

20.6.5 Layoff Notice

Employees subject to layoff shall receive notice of the layoff 30 days before the effective date. They shall be informed of their reemployment rights and bumping rights, if any.

20.7 **Voluntary Demotions/Reductions**

Upon mutual agreement with the District, employees may elect to take a voluntary demotion (i.e., a change to a classification for which they are qualified with a lower maximum salary rate) or a voluntary reduction in assigned time (either hours per day or work year as defined herein) in lieu of layoff or to remain in their present position rather than be reclassified or reassigned. Employees who do so shall be granted the same rights as persons laid off.

20.8 **Reemployment Rights**

Classified employees laid off because of lack of work or lack of funds are eligible for reemployment for a period of 39 months and shall be reemployed in preference of new applicants. Persons so laid off also have the right to apply and establish their qualification for vacant promotional positions within the District during the 39 month period.

20.8.1 Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or to remain in their present position rather than be reclassified or reassigned, shall be granted the same rights as person laid off and shall retain eligibility to be considered for reemployment for an additional period of 24 months; provided, that the same tests of fitness under which they qualified for appointment to the class shall still apply. Employees who take voluntary reductions in assigned time in lieu of layoff or to remain in their present position rather than be reclassified or reassigned shall be hired into positions within their class with greater hours, up to the hours of their position before taking a voluntary reduction in assigned time, in preference of new applicants.

20.8.2 Upon rejecting two (2) offers of reemployment, the employee's name shall be removed from the reemployment list and he/she shall forfeit all rights to which he/she would otherwise be entitled. If an employee on the 39 month reemployment list is hired by the

District to a different classification than that which the employee was laid off from, he/she shall remain on the 39 month reemployment list.

20.8.3 To be reinstated, an employee must be fully capable of performing the normal and customary duties of the job. Employees whose physical condition is such that they cannot be reinstated at the time called for reemployment will be kept on the reemployment list until physically capable of returning to work or for a period not to exceed 39 calendar months.

20.8.4 Notification

When a vacancy occurs, the most senior employee on the 39 month reemployment list for that classification, hours, and work year will be so notified by certified U.S. mail at his/her last known address and given the opportunity to accept or reject appointment into the vacant position. The employee must advise the District of his/her decision no later than ten (10) calendar days following receipt of the notification. If the employee accepts, he/she must report to work no later than two (2) calendar weeks from the vacancy notification date or on a later date specified by the District.

20.8.5 A laid off employee will be reemployed with all rights and benefits accorded to him/her at the time of layoff. A laid off probationary employee will be reemployed as a probationary employee, and the time served toward the completion of the probationary period will be counted in accordance with Section 14.3.1. A laid off employee, when reemployed, will be placed on the salary step held at the time of layoff. An employee who bumped into a lower class will, when reinstated to the previous class, be placed on the salary step to which he/she would have progressed had he/she remained there

ARTICLE 21 – EFFECT OF AGREEMENT

21 Agreement Supersedes Past Practices

This Agreement terminates and supersedes all past practices, agreements, procedures, traditions and rules or regulations concerning the matters herein.

21.1 Negotiations

The parties agree that during the negotiations which culminated in this Agreement, each party enjoyed the right and opportunity to make demands and proposals or counter proposals with respect to any matter not reserved by policy or law from compromise through negotiations, and that the understandings and agreements arrived at after the exercise of that right and opportunity are set forth herein.

21.2 Changes or Amendments

The parties agree, therefore, that the other shall not be obligated to meet and negotiate with respect to any subject or matter whether referred to herein or not even though subject or matter may not have been in the contemplation or knowledge of either or both of the parties at the time they negotiated or signed this Agreement. The terms and conditions of this Agreement may be altered, changed, added to, deleted from or modified only through the voluntarily mutual intent of the parties in a written amendment, executed in the same manner as this Agreement.

21.3 Savings Clause

Should any article, section or clause of this Agreement be declared illegal by court of competent jurisdiction, said article, section or clause, as the case may be, shall be automatically deleted from this Agreement to the extent that it violated the law. The remaining articles, sections and clauses shall remain in full force and effect for the duration of the Agreement if not directly affected by the deleted article, section or clause.

21.4 No Reprisals

Each party agrees that they will neither take, nor threaten to take, any reprisals, directly or in-directly, against the other party or any members thereof regarding any action taken on the part of such

persons in the exercising of their rights and responsibilities under this Agreement.

21.5 **Right to Meet and Consult**

Nothing contained in this Agreement shall preclude the parties from meeting and consulting on items not contained in the Agreement.

21.6 **Exemptions from Court**

The parties mutually agree to print certain items at the same time and in the same document in which the employer/employee contract is printed.

The parties further agree that the items concerning layoffs, reduction in force and discipline procedures are not part of the employer/employee agreement and are not annexed to that agreement but are printed in this document only as a convenience to employees and administrators of the District, SEIU officials and members of the Sacramento community who have access to the document.

ARTICLE 22 -- SUCCESSOR AGREEMENT

22

The Board agrees to enter into negotiations with the Union over a successor agreement no later than thirty (30) days after the public meeting of the Board at which time the Union's successor agreement proposals are presented to the Board as per the requirements of Senate Bill 160. For the duration of this contract, the Union, in consideration of the terms and conditions provided herein, will not engage in, instigate or condone any strike or work stoppage of members of the bargaining unit. This prohibition shall not apply in 1996-97 or in 1997-98 only if the parties reopen negotiations over salary and complete statutory impasse procedures without reaching agreement. The District, during the term of this Agreement, or any extension thereof, agrees that it will not lock out its employees.

ARTICLE 24 -- CONTRACTING OUT

- 24 During the life of this Agreement should the District find it necessary to contract out bargaining unit work that has been consistently and routinely performed by member(s) of the bargaining units covered by this Agreement which results in the loss of an employee's existing job or hours, the Union shall have the right to meet and negotiate with the District regarding the proposed decision.
- 24.1 The Parties acknowledge that the District may replace its current business information system, "ESCAPE", during the term of this Agreement. A transition from the current ESCAPE business information system to a new business information system may require the District to change certain business practices or may provide the District opportunities to reduce costs and improve the efficiency of current business practices. In the event that such changes become foreseeable, the District and SEIU agree to meet and bargain regarding any effects its implementation may have on the parties' Collective Bargaining Agreement or unit members' salaries or working conditions.

A permanent employee who resigns from the District and is subsequently reemployed as a probationary employee in the same classification within six (6) months of their resignation from service shall be reemployed with the same level of benefits under the contract he/she had when he/she resigned (e.g., step, longevity, professional growth, etc.). Any such reemployed person shall not be considered to have a break in service provided, however, that the employee shall have his/her seniority date reflect the period of his/her absence.

2 Earned Increments

A regular employee, except a maintenance employee who is paid on a flat hourly or monthly rate, shall be advanced to the next higher step of the salary range on the first day of the month following the completion of one (1) year of employment until the maximum salary for the range is reached; provided the employee receives compensation for seventy-five percent (75%) of the required workdays. The services of an employee who starts on the first working day of a month shall be considered as dating from the first calendar day of such month for the purposes of this section.

3 Method of Payment

3.1 Twelve-Month Workyear

A full-time, twelve (12) month employee shall be compensated at the appropriate monthly amount shown on the salary schedule. Part-time, twelve-month (12) employees shall receive a pro rata amount of the monthly amount based on his/her percent of time.

4 **Salary Rate on Reassignment to Class with Higher Salary Range**

4.1 If eligible, the employee first shall be granted an earned increment on his/her previous range.

4.2 If the previous salary, including increment adjustment, is below the first step in the new range, the employee shall be placed on the step which most closely approximates a five percent (5%) salary increase.

4.3 If the previous salary, including increment adjustment, is found on the new range, the employee shall be placed one (1) step higher.

4.4 If the previous salary, including increment adjustments, is in between steps on the range, he/she shall be placed two (2) steps higher.

5 **Salary Rate on Reassignment to Class with Lower Salary Range**

5.1 The following stipulations shall govern the salary schedule placement of an employee who is reassigned to a class with a lower salary maximum as a result of a voluntary demotion or because of a reduction in force:

5.1.1 If eligible, the employee first shall be granted an earned increment on his/her previous range.

5.1.2 If the previous salary, including increment adjustment, is found on the new range, the employee shall be placed on that step.

5.1.3 If the previous salary, including increment adjustment, is between steps on the new range, step placement in the new range shall be the next higher dollar amount.

5.1.4 If the previous salary, including increment adjustment, is above the maximum step in the new range, the new salary will be set at the maximum step.

5.2 When an employee is involuntarily reassigned to a classification with a lower salary maximum for reasons other than disciplinary action or reduction in force, or if his/her position is reallocated to a lower salary range, he/she shall suffer no loss in salary. If the previous salary, including increment adjustment, is higher than the maximum of the new class, he/she shall be "Y" rated.

5.3 When an employee is reassigned to a class with a lower salary maximum as a disciplinary action, step placement shall reflect total years of experience in both the class from which the employee is demoted and the class to which he/she is reassigned.

6 **Reallocation of Class to a Higher Salary Range**

Whenever a class or position(s) within a class is reallocated to a higher salary range, all incumbent employees affected shall be placed on the same step in the new range as they occupied on the previous one.

7 **Hourly Pay Calculations**

Hourly pay rates shall be determined by dividing the monthly rate by 173.33. (This division is a constant which represents the average number of working hours in a work month.)

**FAMILY MEDICAL LEAVE ACT/
CALIFORNIA FAMILY RIGHTS ACT**

FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT

Introduction:

The Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) parallel each other in all but a few areas. The FMLA specifically provides that any state law which provides greater employee rights will supersede the FMLA. In other words, where the CFRA creates rights and obligations which are absent from the FMLA, those rights and obligations may be enforced pursuant to the CFRA so long as the difference amounts to greater rights to the employee. In all cases except leave associated with pregnancy disability, however, rights and obligations pursuant to the FMLA and the CFRA shall run concurrently, 12 weeks of leave during a 12-month period count towards statutory maximums with regard to both the FMLA and the CFRA.

The following is a summary of the rights and obligations created under the FMLA and the CFRA. A distinction has been made between the two in areas where they differ. The FMLA and CFRA may contain additional rights and obligations and both Acts should be referred to directly before attempting to exercise or assess the rights or obligations addressed in the following summary.

Definitions:

Child:

Means a biological, adopted, or foster child; a stepchild, a legal ward, or a child of a person standing *in loco parentis* (in place of a parent) who is either under 18 years of age or is 18 years of age or older and incapable of self-care because of mental or physical disability.

Parent:

A biological, foster or adoptive parent, step-parent, or someone who stood *in loco parentis* to an employee when the employee was a child.

Spouse:

Means a partner in marriage as defined in Family Code §300.

Serious Health Condition:

Is defined as an illness, injury, impairment, or physical or mental condition which involves inpatient care in a hospital, hospice, or residential care facility, or continuing treatment or continuing supervision by

RESTRICTIONS AND LIMITATIONS ON LEAVE

Expiration of Entitlement:

Entitlement to leave for the birth or placement of a child shall expire 12 months after the birth or placement of the child.

Intermittent or Reduced Leave:

Leave taken pursuant to CFRA may be taken in one or more periods.

Leave pursuant to FMLA for the birth or placement of a child shall not be taken intermittently or on a reduced leave schedule unless the District and the employee agree otherwise.

Entitlement to leave for a serious health condition of an employee or an employee's child, spouse or parent, when necessary for medical reasons, may be taken intermittently or on a reduced leave schedule. Whether or not leave is taken intermittently or on a reduced leave schedule, the total amount of leave to which the employee is entitled shall not be reduced beyond the amount of leave actually taken.

The District may require an employee, requesting intermittent or reduced leave as a result of planned medical treatment, to transfer temporarily to an alternate position which:

- a) has equivalent pay and benefits; and
- b) accommodates recurring periods of leave better than employee's regular position.

Unpaid Leave:

Leave granted pursuant to either Act may be unpaid.

Relationship to Paid Leave:

The District may require or an employee may elect to substitute any available paid leave which the District would normally provide for any part of the 12-week period of leave taken pursuant to either Act. However, under CFRA, an employee may not use sick leave for the birth of a child or to care for a family member unless it is mutually agreed upon between the District and the employee.

Under FMLA, an employee may elect, or an employer may require, substitution of paid sick or medical leave for leave to care for a sick family member, except that nothing in the FMLA requires an employer to provide paid sick or paid medical leave in any situation which such employer would not normally provide such paid leave.

the employee is unable to perform his/her job for intermittent or reduced leave certification and duration of the treatment or necessity and the expected duration and schedule of the leave.¹

Second Opinion:

If the District questions the certification provided by the employee regarding the employee's own serious health condition, the District may require the employee to obtain a second opinion at District expense. The second health care provider must be designated or approved by the District, but shall not be employed by the District, and the second opinion may deal with any of the certification requirements.

Conflicting Opinions:

If the first and second opinions differ regarding an employee's own serious health condition, the District may require that a third opinion be obtained at District expense. The third health care provider must be approved or designated jointly by the District and the employee. The third opinion shall be binding on the District and the employee.

Subsequent Recertification:

The District may require the employee provide subsequent recertifications on a reasonable basis.

RESTORATION OF POSITION

Employment and Benefits Protection:

Any employee that takes leave shall be entitled, upon return from leave, to the same position or an equivalent position with equal benefits, pay terms and condition.

Leave taken pursuant to this Act shall not result in the loss of any employment benefits which accrued prior to the employee's leave. For example, if the employee has qualified for 3 days of personal leave each year, the employee may not be reinstated at a rate of 2 days of personal leave each year unless the reduction is unrelated to use of family leave. Employment benefits, however, may be exhausted in that the employer may require the employee to use accumulated paid leave during the period of leave provided under the Act.

¹ The FMLA also requires a statement of the diagnosis of the condition. California law does not allow an employer to request information regarding the serious health condition involved.

The required certification shall be sufficient if it states that a serious health condition prevented employee from performing his/her job or that the employee is needed for the care of a child, spouse or parent on the date that the leave of the employee expired.

PROHIBITED ACTS

The District may not interfere with, restrain, deny the exercise of, or discriminate against any individual attempting to exercise any right or opposing any unlawful practice under these Acts.

No person may discriminate against or discharge any individual acting in any proceeding instituted under these Acts.

Proposed Article No. 1, Section 1.8

Substitute and Temporary Employees.

As provided in Education Code section 45103, substitute and short-term employees, employed and paid for less than seventy-five percent (75%) of the school year shall not be part of classified service.

“Seventy-Five percent (75%) of the school year” means one hundred ninety-five (195) working days, including holidays, sick leave, vacation and other leaves of absence, irrespective of the number of hours worked.

Any substitute or short-term employee who works seventy-five percent (75%) or more of a school year shall become part of the classified service according to the provisions of the Side Letter of Agreement attached and incorporated by reference herein as part of this Agreement (see Attachment ____).

SIDE LETTER OF AGREEMENT
BETWEEN
SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
AND
SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 790

195-Day Rule: Education Code Section 45103

A dispute has arisen between the Sacramento City Unified School District, hereinafter the "District," and the Service Employees International Union, (SEIU) Local 790, hereinafter "Union," regarding the interpretation and application of Section 2.5, 2.8, 2.9, 14.3.1 of the contract and Education Code § 45103. The District and the Union have agreed to execute this Letter of Agreement regarding the future application of the above-referenced provisions (more commonly referred to as the "195-day Rule").

The District and the Union agree to the application of the "195-day Rule" as follows:

1. Any long-term temporary¹, long-term substitute², short-term temporary³, or short-term substitute⁴ employee who works for the District, irrespective of the number of hours worked per day, for more than 194 working days, including holidays, sick leave, vacation and other paid leaves of absences, within one school year⁵, shall become a probationary classified employee of the District, as outlined herein. A break in service will not effect the calculation of number of working days for purposes of determining classified status.
2. If a long-term temporary, long-term substitute, short-term temporary, or short-term

1

Section 2.5 defines a long-term temporary employee as: "any person who is employed to perform a service for the District for a limited term of employment of not less than six (6) months nor more than 194 days, including legal holidays, board granted holidays, and earned vacation, and whose service is not anticipated to continue beyond this time."

2

Section 2.8 defines a long-term substitute employee as: "a person who is employed to fill a regular, board-authorized position due to the absence of a regular employee for a period of not less than six (6) months nor more than 194 days, including holidays, board granted holidays, and earned vacation."

3

Section 2.6 defines a short-term temporary employee as: "any person who is employed to perform a service for the District for a period of less than six (6) months, upon the completion of which, the service required or similar services will not be extended or needed on a continuing basis."

4

Section 2.7 defines a short-term substitute employee as: "a person who is employed to fill a regular, Board-authorized position due to the absence of a regular employee for a period of less than six (6) months."

5

A school year is designated as beginning July 1 and ending June 30.

substitute employee, whose service is performed at the same school or site with the same immediate supervisor, is appointed as a probationary employee to the same position, or to another position in the same class, the time served in the position shall be counted in computing the completion date of the probationary period⁶, provided there is no break in service.

3. Any permanent classified employee who assumes the responsibilities of another position of a different classification or who is on a "limited term assignment"⁷ who works more than 194 days, including, but not limited to, holidays, board granted holidays, earned vacation and any paid leave of absence, shall, if all other conditions of the contract are met, be entitled to, among other contract rights, out-of-class pay in accordance with § 6.6 of the Contract. However, a permanent classified employee who assumes the responsibilities of another position in a different classification or who is on a "limited term assignment" for more than 194 days does not acquire any rights to that position nor any rights to such a position in that classification.
4. Both parties agree that the above interpretation of the Contract and Education Code is consistent with the Contract and current practice of the District. Both parties desire to have this agreement establish precedent and be binding against each party.

Application of the 195-Day Rule

A number of issues have arisen regarding the application of the "195-Day Rule" as outlined above. The following hypothetical is intended to clarify those issues and outline the mutual understanding and agreement between the parties regarding the application of the 195-Day Rule. Following the hypothetical are the issues raised therein and the mutually agreed upon resolution and rules relied upon in arriving at the resolution. The hypothetical is for example only and is not intended to limit the applicability of the rules outlined herein to the facts stated therein.

Hypothetical Situation

On October 1, 1997, the District hired employee "A" as a short-term temporary employee⁸ to assist the payroll technicians in the District administrative office. Employee "A" is paid as a temporary employee and does not accrue vacation or sick leave credits. In addition, employee "A" is excluded

6

Section 14.3.1 defines the probationary period for classified employees to be one (1) year from date of hire as a probationary employee.

7

Section 2.9 defines a limited term assignment to mean: "a permanent or probationary employee who is transferred to a position of limited duration or replaces another employee on leave of absence, the employee retains his/her basic employment classification during the course of such assignment."

8

Section 2.6 of the Contract defines a "short-term temporary employee" as "any person who is employed to perform a services for the District for a period of less than six (6) months, upon the completion of which, the service required or similar services will not be extended or needed on a continuing basis."

from the Office-technical bargaining unit (see exclusion under Section 1.3.5.2.1). Employee "A" works (at the same site and under the same supervisor) beyond the six (6) months for which he/she was hired and continues to work more than seventy-five (75%) percent of the 1997-98 school year (i.e., more than 194 working days) thereby becoming a probationary classified employee of the District (see Section [1] above).

Resolution

The above hypothetical raises the following issues, which the parties agree shall be resolved utilizing the following rules:

- A. Does employee "A" become a permanent employee of the District upon completion of 195 working days of service?

Answer: No. Employee "A," upon working more than seventy-five (75%) percent of the school year defined (defined as 195 working days, including holidays, sick leave, vacation and other leaves of absences, irrespective of the number of hours worked per day--Education Code Section 45103) becomes part of the classified service as a probationary employee. (See Letter of Agreement dated August 5, 1997 attached to the Master Contract as Attachment E). Employee "A" shall become a permanent employee only after completing the probationary period. (See Section 14.3.1 of the Contract).

- B. What classification and hours will employee "A" be assigned upon becoming a probationary employee of the District?

Answer: Employee "A" shall become a probationary employee of the District, as outlined above, in the classification and with the hours and work vacation group that the employee is assigned (excluding overtime and extra assignment work) on the 195th day of service, provided that the employee worked in the same classification, hours and work vacation group during the entire 195 days and there exists a vacancy in this classification, hours, and work vacation group. If there is more than one vacancy, the employee shall be allowed to select the vacancy he/she would like to fill.

If the employee has worked in different assignments during the course of his/her 195 days of service, then the employee shall be placed in the classification, hours and work vacation group for which the employee had the greatest length of service (working days only--not hours) during his/her 195 days of service, assuming there is a vacancy in this classification, hours and work vacation group. If there is more than one vacancy then the employee shall be allowed to select which vacancy he/she would like to fill.

In either of the above two scenarios, if there is no vacancy in the classification, hours and work vacation group to which the employee has rights, then the employee shall be subject to layoff. The employee shall be allowed to exercise any "bumping rights" he/she may have under Contract or board policy. Nothing contained herein shall interfere with the District's right to discipline or release a probationary employee.

- C. What if employee "A" had been hired to work as a short-term or long-term substitute employee in an "encumbered" position (i.e., a regular employee of the District has return rights to the position) and work more than seventy-five (75%) percent of the school year?

Answer: Employee "A" would become a probationary classified employee in an encumbered position (an "encumbered" position is a position for which a probationary or permanent employee of the District has return rights), upon completing 195 working days within one school year. Upon return of the employee with rights to the position, Employee "A" shall first be assigned to regular vacancies in the classification, hours and work vacation group to which he/she has become a probationary employee. If no vacancy exists, then the employee shall be subject to layoff. Nothing contained herein shall interfere with the District's right to discipline or release a probationary employee.

- D. If employee "A" completes the probationary period in accordance with Section 14.3.1 of the Contract and becomes a permanent employee, is he/she entitled to sick leave and vacation accrual for his/her probationary period?

Answer: Yes. Employee "A" will be credited with vacation and sick leave credits for the time spent in the position as a probationary classified employee. In the situation where the employee has served in multiple positions before working more than seventy-five (75%) percent of the school year, after the employee received a probationary classified employee assignment (as determined in Section [2] above) he/she will be credited with vacation and sick leave for that portion of the school year that will be credited toward permanency under 14.3.1. (see Section 14.3.1).

- E. What other benefits and/or obligations would employee "A" be entitled to under the Contract?

Answer: Employee "A," upon working more than seventy-five (75%) percent of the school year will become a probationary classified employee also becomes a member of the bargaining unit and is subject to Union dues. Employee "A" will be required to contribute back dues for his/her probationary period.

In addition, if the employee's position qualifies, the employee shall be entitled to PERS contributions. If the employee chooses to make up the PERS contributions, the District will also make the appropriate contribution for the employee's probationary period provided that employee shall also be required to pay his/her share of the contribution to PERS for his/her probationary period.

Any employee Union dues and/or PERS contributions due shall be deducted from the employee's check(s) in accordance with Section 6.12 (which shall be redrafted by mutual agreement of the parties--If 6.12 is not redrafted by agreement of the parties the employee shall pay both dues or PERS contributions out of the next six (6) regularly scheduled pay rolls).

If the position to which the employee becomes a probationary employee (see Section [B])

above) is a "benefitted position" under the Contract, then the employee shall be entitled to health benefits effective the first day of the month following the month in which the employee completed his/her 195th day of service within the school year.

- F. Will employee "A" be credited with the time he/she worked as a temporary employee before becoming a probationary employee for purposes of District seniority?

Answer: Yes. Any time that is credited to the employee under Section 14.3.1 for purposes of calculating the completion of the employee's probationary one year period will also be counted toward the employee's district seniority. Therefore, if an employee served in multiple positions before working more than seventy-five (75%) percent of the school year (i.e., more than 194 working days) he/she shall only be credited for purposes of permanency and seniority with the time spent in the position for which the employee became a probationary classified employee, assuming there was no break in service.⁹ (See Section [B] above).

- G. What evaluation is employee "A" entitled to under Article 14?

Answer: If an employee becomes a permanent classified employee of the District as described herein, the employee by definition will have missed his/her first probationary evaluation. The parties recognize this and expressly waive Section 14.3 et. seq. requiring a pre-evaluation conference and a first probationary evaluation by the end of the employee's first ninety (90) days of employment. Moreover, the parties agree that the second and final probationary evaluation for probationary employees as described herein shall be completed no later than sixty (60) days after the end of the employee's probationary period. Furthermore, the parties recognize that the District's failure to evaluate a probationary employee shall in no way impair the District's right to discipline, dismiss, or release a classified employee.

- H. What date will the District use for purposes of calculating continuous years of service for such benefits as retiree health benefits?

Answer: For purposes of calculating continuous years of service for such benefits as retiree benefits, the District will use the same date it is using for purposes of determining completion of the probationary period (i.e., the period of time that is credited toward completion of the probationary year under 14.3.1). Assuming the employee worked at the same site and under the same supervisor and had no break in service before becoming a default probationary employee, the District will use the employee's first date of service to

9

Under Section 2.20 of the Contract "district seniority" is defined to mean "the total time of service with the District including all job classifications commencing with the employee's date of hire into a probationary or permanent position, as provided in Article 14, Section 3.2 of [the Contract] including all time spent in paid status (vacation, holidays, sick leave, etc.) authorized unpaid leaves of less than thirty (30) days, and time spent on unpaid leaves for union business, excluding any service which ended in termination if the employee was not rehired within one (1) year after termination."

calculate both completion of the probationary period and to determine whether the employee has had a given number of continuous years of service. If the employee has worked at different sites and/or under different supervisors and/or had a break in service before becoming a default probationary employee, then the District will use the day the employee started working in the classification to which he/she became a default probationary employee, assuming the employee continued to work at the same it under the same supervisor and without a break in service.

Concerning Twelve (12) Monthly Paychecks for Non Single-Track Employees

RECITAL

The Sacramento City Unified School District, hereinafter the "District," and the Service Employees International Union (SEIU), Local 790, hereinafter the "Union," also jointly referred to as the "Parties," hereby agree to the following with respect to cease the practice of employees receiving twelve (12) paychecks when they are not twelve (12) month employees, and when they do not work at a single-track school.

SEIU expressed a legitimate concern about the potential impact of 9, 10 & 11 month employees, who do not work at a year round site, receiving less than twelve (12) paychecks a school year. Both parties agree that adequate notice to the impacted employees is necessary. The District was responsive to the concerns brought forward by SEIU and the parties have agreed to the terms listed below.

1. All SEIU employees, who are not on a single-track calendar, who have work calendars that are less than twelve (12) months will begin receiving a greater or fewer number of checks than the number of months they work effective the 2004-2005 school year. This will be based on the number of days they work in the month they return for the school year. These employees shall continue to receive twelve (12) paychecks from July 1, 2003 through June 30, 2004. The amount of each paycheck will be based on the status of each employee, i.e. 12 months 11 months or 10 months.
2. Beginning in the 2004/2005 school year, if an employee's work calendar requires them to work less than half of the number of working days in their first work month, they will receive their first paycheck the following month. If an employee's work calendar requires them to work more than half of the number of working days in their first work month, they will receive a paycheck at the end of their first working month.
3. The District will post an announcement of this agreement to extend the implementation of the paycheck change.

4. The Union agrees to publicize the agreement as well, by whatever means the Union deems appropriate
5. This agreement is subject to modification through mutual agreement of the parties.

CATASTROPHIC SICK LEAVE BANK

CATASTROPHIC SICK LEAVE BANK

- A. The purpose of the Catastrophic Sick Leave Bank ("Bank") is to create a bank of donated sick leave days which may be used by unit members who are permanent employees suffering from a catastrophic illness or injury. The establishment of this Bank replaces the previous catastrophic leave practice agreed to by the parties.
- B. Catastrophic illness or injury is defined to mean a severe, incapacitating illness or injury to the employee which is expected to continue for an extended period of time which prevents the unit member who is a permanent employee from performing his/her duties.
- C. Membership in and use of the Bank
 1. The unit member who wishes to participate in the Bank must donate a minimum of one full sick leave day based on regular assignment hours worked to the Bank. The designated donation period shall occur on August 1 through October 31 annually. After 15 years of consecutive annual donations, the employee will no longer be required to make further donations to be recognized as a vested member of the catastrophic leave bank.
 2. In order for an employee to be eligible for catastrophic leave, they must have made a donation to the Bank during the donation period for that school year as outlined above.
 3. Donations to the Bank are irrevocable and may not be designated for the use of any specific participant.
 4. To use the Bank, a unit member must have exhausted all paid leaves including worker's compensation leave, except extended sick leave (100 half days). Donated catastrophic leave will run concurrently with extended sick leave. If catastrophic sick leave extends into a new fiscal year, newly granted sick leave days must be exhausted prior to resuming the use of the catastrophic sick leave bank. One day of granted sick leave must be donated to the bank to continue eligibility into the new fiscal year. There shall be no break in pay.
 5. The Associate Superintendent, Human Resources or designee and the Staff Manager, SEIU or designee will develop the procedure whereby a unit member applies for use of catastrophic sick leave days.

6. The Associate Superintendent, Human Resources or designee and the Staff Manager, SEIU or designee will develop the form to be used by unit members to contribute to and apply for use of the Bank.
7. The Associate Superintendent, Human Resources or designee and the Staff Manager, SEIU or designee will develop the procedure for replenishing the Catastrophic Leave Bank should it be depleted prior to the annual donation date.
8. The Associate Superintendent, Human Resources or designee shall grant or deny all requests for use of the Bank. If the application is denied, the Associate Superintendent, Human Resources or designee and the Staff Manager, SEIU or designee will discuss the reason for denial.

D. General Provisions

1. Days from the Bank shall be authorized on a first come, first-serve basis (date stamped received by Human Resources). Applicants may annually request the use of up to sixty (60) full salary, sick leave days that have been donated to the Bank. Upon full use, an additional twenty (20) days may be requested for a maximum of eighty (80) days to be used per catastrophic illness or injury.
2. Days may only be used by an employee who per medical verification, is incapacitated by a catastrophic illness or injury. Unused catastrophic sick leave days granted will be returned to the Bank. Unit members will be compensated at their current* regular assignment hours**. Unit members will be compensated at their current* work calendar. Unit members will be compensated at their current* rate of pay for each catastrophic sick leave day used. Total unused bank time will roll over from year to year.

* Current is defined as "in effect when application for Catastrophic Leave is received by Human Resources".

**Includes definition in 9.15.3 (Temporary Changes in Work Schedules for Part Time Employees).

3. Unit members on worker's comp leave and receiving compensation under Worker's Compensation provisions shall not be eligible to withdraw days from the Bank until exhausting all such benefits.

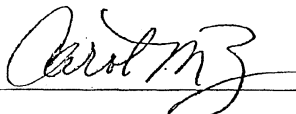

4. Upon an approval by CalPERS of retirement disability payments, the unit member's eligibility for withdrawal of days from the Bank shall cease.

E. The provisions of this section which relate to the application process and the approval of requests for catastrophic sick leave days shall not be subject to the grievance procedures established in this agreement.

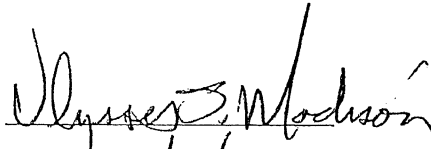

Intent: Sections C4 and D2. For example, if an employee has 60 days of their 100 half days available, they could use those 60 days in conjunction with 60 half Catastrophic Leave days to give them full salary for 60 days. This will use 30 full days of Catastrophic Leave days, leaving the employee with a balance of 30 Catastrophic Leave days.

MEMORANDUM OF UNDERSTANDING

BETWEEN THE
SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
AND
SERVICE EMPLOYEES INTERNATIONAL UNION REGARDING
Negotiations for the CBA Beginning July 1, 2005

The Sacramento City Unified School District, hereinafter the "District," and the Service Employees International Union (SEIU), Local 790, hereinafter the "Union," also jointly referred to as the "Parties".

During negotiations of Winter 06, the parties discussed the idea of placing a "touch screen" computer in the District lobby of the Serna Center Building. Using interest based principals the proposal from SEIU was explored and considered. In addition, discussion took place regarding the current classification of the Maintenance Engineer Specialist.

After review of the touch screen proposal it was mutually determined that the cost of the proposal would hinder any movement on tentatively agreeing to the proposal. As a compromise, the parties agreed to the language of this MOU should the District find itself in a position to absorb the ongoing cost of purchasing and maintaining a "touch screen" computer in the lobby.

After review of the proposal about the Maintenance Engineer Specialist (MES) classification, the parties agreed to return the employees who were previously classified as Roofers to the Roofer classification. The employees' classification was changed per Board adoption of the Maintenance Engineer Specialist job description in March of 2003.

This agreement was reached in the interest of promoting harmonious labor relations. It is non-precedential and its *terms will sunset (expire) on the last operating day of the District/SEIU CBA that begins on July 1, 2005*. The terms of this agreement shall not be used to interpret contract language of the District/union CBA.

The terms and conditions are as follows:

- for #1 only. @ M
1. The parties Agree that if funds become available that allow the District to purchase and maintain a "touch screen" computer, the District will inform the union so that a meeting can be scheduled to discuss the proposal and review its impact on the District as determined at that time.
 2. The Parties agree to return employees currently classified as "Maintenance Engineer Specialists" to the classification of "Roofer". Currently, not all of the employees with the MES classification were previously classified a Roofer. Therefore, those employees who have never been classified as Roofers, will remain classified as Maintenance Engineer Specialists.

3. This MOU will sunset (expire) on the last operating day of the District/SEIU CBA beginning on July 1, 2005.
4. This MOU shall not be construed as an interpretation of any provision(s) of the District / Union CBA, or other rule, policy or procedure and is non-precedential.

1. This form is to be used as the official report of the performance evaluation for all classified personnel designated as non-management.
2. Reports on probationary or permanent personnel are to be made twice during the probationary period. Probationers need not be evaluated if elected less than three months. The second evaluation report will be required 60 calendar days prior to the completion of the probationary period. Reports on permanent personnel shall be made in accordance with the Union Agreement.
3. Additional reports on probationary or permanent personnel may be submitted by administrators responsible for evaluation at any time. They may also be required by the Associate Superintendent, Human Resource Services, and any administrator responsible for evaluation at such times as such additional reports are believed necessary or desirable for the improvement of performance (see Article XIV of the Union Agreement).
4. Reports shall be forwarded through and reviewed by higher level supervisors as described in current administrative bulletins and shall be received in Human Resource Services not later than 15 days after the date of preparation.
5. Whenever an item is marked "Does Not Meet Expectations," specific written factual statements describing the deficiency and recommending corrective actions shall be made in the Comments section or on an attached sheet. Special evaluations can be used any time an employee's supervisor feels such reports will lead to improved performance (see Article 14.4.2). When a special evaluation is used in this way, an Improvement Plan must be attached.

Application for Family Medical Leave

Employee's Serious Health Condition

Date: _____

Family Leave requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons.

Eligibility

Employees are eligible if they have worked for a covered employer for at least one year and for 1,250 hours over the previous 12 months, and if there are at least 50 employees within 75 miles.

Job Benefits

Employers are required to maintain coverage, except life insurance and accidental death and dismemberment benefits, for employees on leave under a group health plan on the same basis as if they had continued regular employment during the leave period. The employer and employee contribution responsibilities for maintaining continued health coverage remain unchanged during the leave period.

I hereby apply for a Family Leave for the period beginning at the close of the day _____ and terminating at the close of the day _____.

Reason for Taking the Family Leave:

- A serious health condition prohibits me from performing my job duties and responsibilities.

Type of Leave Requested:

- 12 consecutive weeks.
- Intermittent (please explain): _____
- Reduced schedule from full time to part time (specify number of hours a week and days of week): _____

Advance Notice and Medical Certification:

- The employee must provide 30 days advance notice when the leave is "foreseeable." If you do not notify the District in advance for foreseeable leave, the District may delay your leave as necessary to make appropriate arrangements for your temporary replacement. Such delay will not postpone your leave for more than 30 days from date of your request.
- Medical certification to support a request for leave because of a serious health condition is required, Form WH-380-E attached. You must provide a medical certificate at the time you request leave if your leave is your own serious health condition.
- Before you return to duty from Family Leave, you will be asked to obtain a fitness report providing medical certification that you are able to return to work.

Certification of Health Care Provider must be attached.

Advance Notice and Medical Certification (continued)

The District may require an employee requesting intermittent or reduced leave as a result of planned medical treatment, to transfer to an alternate position which has equivalent pay and benefits and accommodates recurring periods of leave better than the employee's regular position.

Restoration Rights

You will be reemployed in the same, comparable, or equivalent position upon return from full leave.

While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 C.F.R. §§ 825.306-825.308. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. § 1630.14(c)(1), if the Americans with Disabilities Act applies.

Procedures

Before a classified employee may be compensated for performing higher-level duties, approval must first be obtained from the appropriate Director of Human Resource Services. This approval is obtained by submitting a "*Request for Working Out of Classification*" form.

A request should be submitted only under the following conditions:

1. The employee is required to perform the higher classification for **more** than three (3) working days within a fifteen (15) calendar-day period.
2. The higher-level duties to be performed are those of an absent classified employee.
3. The higher-level duties do not fall within the recommended employee's job classification.
4. The assignment of the higher-level duties is not expected to last more than two months.
5. This is due into Human Resource Services Services prior to submitting the Monthly Absence Report, or Per Diem Time Report, as the case may be.
6. If the time period covers more than one (1) month, a Vacancy Requisition needs to be used instead of Working Out of Classification Form.

When the above conditions exist, complete and submit a "*Request for Working Out of Classification*" form to the appropriate Director of Human Resource Services. After Budget Services and Human Resource Services review the request, a copy will be returned to the originating administrator indicating the disposition of the request and, if approved, the additional compensation authorized. When approval is received, the administrator in charge is to indicate in the remarks column of the monthly absence report those days on which the employee performed the higher-level duties.

ATTACHMENT M

**TENTATIVE AGREEMENT EXTENDING THE
CONTRACT TO JUNE 30, 2017**

**SEIU Local 1021 Tentative Agreement
Sacramento City Unified School District**

July 5th, 2012

2012-2013 and 2013-2014 Fiscal Years

The District's and Union's interests are to maintain fiscal solvency and provide staff with salary and benefits that are competitive in order to recruit and retain quality staff. In addition, our mutual interest is to mitigate the reductions to classified staffing in order to maintain a quality environment for students to support teaching and learning. Therefore, the Union proposes the following:

1. The parties recognize that this agreement anticipates that the state school finance system will remain substantially unchanged as prescribed in current law. If there is a significant change in the funding system (e.g., "sweeping" of categorical funds, weighted student formula or some other significant structural change in funding,) the District shall provide prompt written notification to SEIU Local 1021 of its belief that such a change has occurred. Based on this notification, the parties shall meet promptly thereafter to negotiate modifications to this Memorandum that attempts to carry forward the intent of the current agreement while also conforming to the relevant changes in the school funding system.
2. Reduction of the 2012-13 and 2013-14 Work Years

Each unit member's work year shall be reduced by a total of three (3) days in each of the 2012-13 and 2013-14 work years with a corresponding pre-tax deduction from the unit member's salary. The days that shall be temporarily reduced shall be non-work days, and shall be determined by mutual agreement of the parties. The value of each day shall be calculated at the rate of .5% and the salary schedule for the 2012-13 and 2013-14 work years shall be reduced accordingly.

A. In addition, the following reductions shall take effect July 1, 2012 and July 1, 2013:

1. The temporary suspension of three (3) Board granted holidays, each member's salary will be reduced by three (3) days.
2. Temporary suspension of the Single Coverage Rebate.
3. Temporary suspension of Step movement.
4. Temporary suspension of Longevity increment movement.
5. Ten (10) Furlough days *(effective 1-1-13)* 

For a total of \$3,336,277.00 in concessions for each fiscal cycle.

If the Governor's Tax Initiative passes, effective January 1, 2013 the following shall be restored for the 2012-13 and 2013-2014 fiscal years:

1. The temporary suspension of three (3) Board granted holidays, each member's salary will be reduced by three (3) days.
2. Temporary suspension of the Single Coverage Rebate.
3. Temporary suspension of Step movement.
4. Temporary suspension of Longevity increment movement.
5. Ten (10) Furlough days
