

Compliance with the Pupil Textbook and Instructional Program Act (Education Code 60119)

**Board of Education
November 3, 2011**

Education Code 60119

- **Requires a public hearing on, or before, the eighth week of school**
- **Determined through a resolution**
 - That each student in each school has sufficient textbooks or instructional materials

Steps to Ensure Sufficiency

Textbook Sufficiency Plan

- Survey sites to determine textbook/instructional material needs
- Redistribute surplus textbooks
- Order additional textbooks needed
- Verify materials for each student

Resolution 2681

Certification of Textbook and Instructional Material Sufficiency

- Sufficient textbooks and instructional materials for each student in SCUSD
- Laboratory science equipment applicable to science lab courses

Recommendation

- Approve Resolution 2681
