Sac City to continue visual/performing arts option for students in 2007-2008 school year

Sacramento City Unified School District Board President Manny Hernandez announced today the District will continue to offer students a visual and performing arts program in the fall. Notification was given by the Visual and Performing Arts Charter (VAPAC) governing board that it intends to close VAPAC at the end of the 2006-2007 school year.

“We want to continue to offer students in our district the opportunity to enjoy a quality arts program within a public school setting,” President Hernandez said. “We will be announcing more details about the program over the next two weeks, but we want families to know that an arts program will be available in September.”

President Hernandez said the district established a hotline to answer questions. The hotline number is 1-888-484-8222. On Wednesday, June 6, a VAPAC information link will be available on the District’s website, www.SCUSD.edu to keep the public informed.
