World of Work

Education is not
preparation for life;
education is life
itself.

-John Dewey

Summer is the time for Internships!

Student Corner:

Juniors: NOW is the time to make sure you have an updated résumé and letter of interest so that you can pursue your summer opportunities in the next few months.
Seniors: NOW is the time to make sure you have an updated résumé and letter of interest so that you can begin to look for employment for life after high school.

JCBA

As highlighted in our last issue of World of Work, Work-based Learning experiences run a full [continuum of opportunity](#). Here are two exemplary student opportunities!

Social Enterprise

Students in the Hiram Johnson High School Corporate Business (JCBA) filed over 280 tax returns for members of the community – that’s a return of more than \$350,000 of federal funds back to the community! Read more about this exciting program [here](#). Volunteer Income Tax Assistance Program (VITA) will be [offering other upcoming sessions](#), including two more sessions at Hiram Johnson JCBA!

HPHS

Internships

Arthur A. Benjamin Health Professions High School Juniors earned their “Blue Coats” as part of their internship program with FACES for the Future! Thirteen students interviewed and were selected to be a part of the distinguished program where they will be placed in health and medical industry internships this Spring. The entire Medical Science 11 class is trained on professionalism and patient care skills - a chosen few will then apply to their internship placements around Sacramento.
