About

In alignment with Aggie Square's commitment to Sacramento neighborhoods, a series of meetings called "Aggie Square: Plan into Action" are scheduled to engage our region in helping to fulfil Aggie Square's Community Benefits Partnership Agreement (CBPA).

CBPA forums will include topics such as construction jobs, opportunities for youth, affordable housing and long-term workforce development. Feedback will be valuable as we continue to collaborate in the creation of opportunities for people in local neighborhoods and across our region.

UPCOMING:

- > August 17th
- > November 9th

This in-person event is an early opportunity for you to:

- Learn more about future programs and **how you can participate.**
- **Shape programs** that will mean the most to you.
- **Help guide** how youth use this regional resource.

This meeting will be hosted by Sacramento Youth Commission members. Pizza will be provided for attendees.
