

## Gradebook Fixes

Both issues can be fixed in Account Settings at the top right of the page.

1. How to set your default homepage to Campus Instruction.
2. How to ensure you can take attendance using a seating chart.

### Account Settings

Preferences Password Reset

Select the application you would like to load on Campus log in.

Campus Instruction Beta

Select your student display preferences.

Show Active Students Only  
Affects display in Grade Book, Lockers, Post Grades, Standardized Test, Student Course Recommendations, Student Groups

Show Student Number  
Affects display in Attendance, Class Serve, Lockers, Post Grades, Roster, Standardized Test, Student Course Recommendations, Student Summary, Student Groups

Show Student Picture  
Affects display in Attendance, Class Serve, Grade Book, Lockers, Post Grades, Roster, Seating Charts, Standardized Test, Student Course Recommendations, Student Summary, Student Groups

Use Seating Chart for Attendance
