Re: Weekly Assessment Progress Updates – Seventh Update for Case S-0401-20/21

Dear Mr. Durgin,

The Sacramento City Unified School District's ("SCUSD" or "District") shares its seventh update regarding corrective actions outlined in the California Department of Education's ("CDE") March 8, 2021 Investigation Report ("Decision") for Case S-0401-20/21 as follows:

- **Corrective Action 1:** The initial IEP has been scheduled for June 2, 2021.
- **Corrective Action 2:** Completed, submitted, and pending CDE's final review.
- **Corrective Action 3:** Completed, submitted, and pending CDE's final review.
- **Corrective Action 4:** Completed, submitted, and pending CDE's final review.
- **Corrective Action 5:** Completed, submitted, and pending CDE's final review.
- **Corrective Action 6:** Please see attached spreadsheet entitled "Weekly CDE Spreadsheet_5.28.2021" The spreadsheet includes the SSID, SEIS ID, school site, last name, first name, date of birth, date IEP is due, initial or triennial indicator, In-process indicator (Yes, No, Speech Only) for assessments, assessor indicator (site staff or NPA), IEP meeting status indicator (completed, scheduled, not scheduled), and IEP Team meeting date.

Additionally, on May 10, 2021, the District and CDE participated in a technical assistance meeting in which discrepancies were identified between the SEIS and CALPADS reporting system. As was reported last week, the District has been collaborating with the San Joaquin SEIS Support team to identify and correct the cause for the discrepancies within the SEIS system. Additional uploads were completed during this past week to address discrepancies. The District will continue to work to resolve the remaining discrepancies.

- **Corrective Action 7:** The District has developed a guidance document for IEP teams to determine learning loss needs as well as the need for compensatory services. This guidance document was previously provided to the CDE.

Thank you for your collaboration and let me know if you have any questions or comments.

Sincerely,

/s/Raoul Bozio
